Brydge BRY6032

Brydge 12.9 MAX+ Wireless Keyboard with Trackpad User Manual

Model: BRY6032 for iPad Pro 12.9-inch

INTRODUCTION

This manual provides instructions for the Brydge 12.9 MAX+ Wireless Keyboard with Trackpad, designed for the iPad Pro 12.9-inch. It covers setup, operation, maintenance, and troubleshooting to ensure optimal use of your device. The Brydge 12.9 MAX+ transforms your iPad Pro into a versatile laptop-like experience with a multi-touch trackpad and backlit keys.

Image: The Brydge 12.9 MAX+ keyboard with an iPad Pro 12.9-inch securely attached, displaying the iPadOS home screen. The keyboard is open, presenting a laptop-like setup.

SETUP

1. Attaching Your iPad Pro

The Brydge 12.9 MAX+ features a SnapFit Case for secure attachment. Align your iPad Pro with the case and gently press it into place. The magnetic design ensures a firm connection while allowing for easy removal when needed.

Image: A hand gently guiding an iPad Pro into the Brydge keyboard case, demonstrating the attachment process.

2. Charging the Keyboard

Before initial use, fully charge the keyboard. Connect the provided USB-C charging cable to the keyboard's charging port and to a power source. A full charge provides up to 3 months of battery life, depending on usage.

3. Bluetooth Pairing

1. Ensure your Brydge keyboard is charged.
2. Turn on the keyboard using the power button.
3. On your iPad, go to **Settings > Bluetooth** and ensure Bluetooth is enabled.
4. The keyboard will appear in the 'Other Devices' list as 'Brydge 12.9 MAX+'. Tap to connect.
5. A pairing request may appear on your iPad. Confirm the connection.

The Brydge 12.9 MAX+ utilizes Bluetooth 5.0 with Instant-On Connectivity, allowing for quick reconnection to your iPad after initial pairing.

OPERATING INSTRUCTIONS

Keyboard Functions

- **Backlit Keys:** The keyboard features adjustable backlighting. Use the dedicated backlight key (often found in the function row) to cycle through brightness levels or turn off the backlight.
- **Function Row:** The top row of keys provides quick access to iPadOS functions such as screen brightness, volume control, media playback, and search.

Trackpad Usage

The large multi-touch trackpad supports various iPadOS gestures for navigation and interaction. Refer to your iPad's iPadOS settings for a complete list of supported gestures.

- **Single Finger Tap:** Select items.
- **Two Finger Scroll:** Scroll through content.
- **Pinch to Zoom:** Zoom in or out on content.
- **Three Finger Swipe:** Switch between open applications or access the App Switcher.

Adjustable Viewing Angles

The keyboard allows for up to 135° of screen rotation, enabling comfortable viewing and typing in various environments, whether on a desk or your lap.

MAINTENANCE

Cleaning

To clean your Brydge keyboard, use a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a mild, non-abrasive cleaner. Avoid excessive moisture and harsh chemicals. Ensure the keyboard is powered off before cleaning.

Battery Care

To maximize battery life, avoid fully discharging the keyboard frequently. Charge the keyboard regularly, especially if it will be stored for an extended period. The keyboard can be charged while in use.

TROUBLESHOOTING

• Keyboard Not Connecting:

- Ensure the keyboard is charged and powered on.
- Verify Bluetooth is enabled on your iPad.
- Forget the device in iPad Bluetooth settings and re-pair.
- Restart both the iPad and the keyboard.

• Trackpad Lag or Freezing:

- This can sometimes be resolved by turning the keyboard off and on.
- Ensure your iPadOS is updated to the latest version.
- Check for any available firmware updates for the Brydge keyboard via the Brydge Connect app (if applicable).

• Hinge Issues:

- Avoid excessive force when opening or closing the keyboard.
- Do not 'overclose' the case without the iPad inside, as this can stress the hinges.
- If hinges become loose or show signs of cracking, contact Brydge customer support for assistance.

- **Firmware Updates:**

- Periodically check for firmware updates through the official Brydge website or a dedicated Brydge app, if available. Updates can improve performance and address known issues.

SPECIFICATIONS

Model Number	BRY6032
Compatible Devices	iPad Pro 12.9-inch
Connectivity Technology	Bluetooth 5.0 (Instant-On)
Keyboard Description	Wireless, Backlit
Special Features	Multi-Touch Trackpad, Magnetic SnapFit Case, Adjustable Backlit Keys, 135° Viewing Angle
