SETUP

1. **Initial Charge:** Before first use, fully charge the fan using the provided USB Type-C cable. Connect the cable to the fan's charging port (located at the bottom) and a compatible USB power source (e.g., USB adapter, power bank, computer). The charging indicator lights will show the battery level. A full charge typically takes 3-4 hours.
2. **Attach Lanyard (Optional):** If desired, attach the lanyard to the designated loops on the fan. The lanyard features

detachable clips for quick removal.

3. **Unfold and Position:**

- For *Handheld Use*: Keep the fan folded in its compact form.
- For *Desktop Use*: Unfold the fan to create a stable base. The fan head can be rotated 180° to direct airflow.
- For *Neck Fan Use*: Attach the lanyard and wear the fan around your neck. Adjust the fan head for optimal airflow.
- For *Mobile Phone Holder*: Unfold the fan to its desktop configuration. The base can securely hold a smartphone.
