CLEARSTEM Power Duo User Manual

By CLEARSTEM

1. INTRODUCTION

The CLEARSTEM Power Duo is a comprehensive skincare system designed to address both anti-aging and anti-acne concerns. This duo includes the CLEARITY serum and the CELLRENEW serum, formulated to work synergistically for improved skin health and appearance.

This manual provides detailed instructions for the proper use and care of your CLEARSTEM Power Duo to ensure optimal results.

2. PRODUCT COMPONENTS

- **CLEARITY Serum:** An AHA (Alpha Hydroxy Acid) serum formulated to smooth skin texture, unclog pores, and brighten complexion. It aids in dissolving blackheads and stimulating collagen production.
- **CELLRENEW Serum:** A calming and regenerating serum that supports collagen healing, provides deep hydration, and promotes a healthy glow.

3. USAGE INSTRUCTIONS

3.1. CLEARITY Serum Application

The CLEARITY serum is potent and should be introduced gradually into your skincare routine.

1. **Initial Use:** For the first one to two weeks, apply CLEARITY serum only at night. This allows your skin to adjust to the new level of exfoliation.
2. **Application:** Dispense 3 pumps of CLEARITY serum onto your fingertips.
3. **Spread:** Gently apply the serum to your skin, carefully avoiding the eye area.
4. **Absorption:** Allow the serum to soak into your skin for approximately 20 minutes. Do not rinse.
5. **Layering Tip:** When applying any acid to the skin, it is recommended to wait at least 15-20 minutes before applying another product to prevent neutralization of the serum's effects.
6. **Morning Integration:** After 10-14 days of nightly use, you may incorporate CLEARITY serum into your morning regimen as well, if desired.

3.2. CELLRENEW Serum Application

The CELLRENEW serum is designed for daily use to hydrate and regenerate the skin.

1. **Preparation:** Shake the bottle well before each use. Natural separation of ingredients may occur as the product does not contain fillers or binders.
2. **Application:** Dispense 2-3 pumps of CELLRENEW serum.
3. **Spread:** Apply the serum over your entire face.
4. **Massage:** Gently massage the serum into your skin for approximately 30 seconds. Massage motions can increase circulation, which is beneficial for healing and absorption.
5. **Coverage:** This serum is safe for use on the whole face, lips, and neck, but avoid applying directly to eyelids.

4. IMPORTANT CONSIDERATIONS

- **Clean Formulation:** CLEARSTEM products are formulated without hormone disruptors, fillers, or

pore-clogging ingredients.

- **Skin Adjustment:** As with any new active skincare product, monitor your skin's reaction, especially when first introducing the CLEARITY serum.
- **Consistency:** Regular and consistent use as directed will yield the best results for both anti-aging and anti-acne benefits.

PORE CLOGGING INGREDIENT LIST		
• Acetylated Lanolin	• Ethylhexyl (Octyl) Palmitate	• PPG 2 Myristyl Propionate
• Acetylated Lanolin Alcohol	(common in makeup)	• Plankton
• Algae Extract/Algae/Algin/ Kelp/ Seaweed	• Glyceryl Stearate SE	• Polyglyceryl-3 Diisostearate
• Avocado Oil	• Glyceryl-3 Diisostearate	• Potassium Chloride
• Butyl Stearate	• Hexadecyl Alcohol	• Propylene Glycol
• Carrageenan/Moss/Chondus/ Crispus	• Hydrogenated Vegetable Oil	• Monostearate
• Cetyl Acetate	• Isocetyl Alcohol	• Red Algae
• Cetearyl Alcohol + Cetareth 20	• Isocetyl Stearate	• Seaweed
• Chondrus Crispus (aka Irish Moss or Carageenan Moss)	• Isodecyl Oleate	• Sea Whip Extract/Caviar/ Plankton
• Chlorella	• Isopropyl Myristate/Palmitate/ Isostearate/Linolate	• Shark Liver Oil (Squalene)
• Coal Tar	• Isostearyl Isostearate/ Neopentanoate	• Shea Butter/other nut butters
• Cocoa Butter	• Laminaria Digitata Extract/ Ecklonia plants (algae)	• Sodium Laureth Sulfate/ Lauryl Sulfate
• Coconut Alkanes	• Laminaria Saccharina Extract (Laminaria Saccharine)	• Solulan 16
• Coconut Oil/Coconut Butter/ Coconut "extract"	• Laureth 4 & Laureth 23	• Sorbitan Oleate
• Colloidal Sulfur	• Lauric Acid/ Myristic Acid/ Palmitic Acid	• Soybean Oil
• Cotton Awws Oil	• Mink Oil	• Spirulina
• Cotton Seed Oil	• Myristic Acid	• Steareth 10
• D & C Red # 17	• Myristyl Lactate/Myristate	• Stearic Acid Tea
• D & C Red # 21	• Octyl Palmitate/Stearate	• Stearyl Heptanoate
• D & C Red # 3	• Oleth-3	• Sulfated / Hydrogenated oils: Soybean, Avocado Oil, Palm Oil, Castor Oil, Jojoba Oil
• D & C Red # 30	• Oleyl Alcohol	• Wheat Derivatives (found in hair products)
• D & C Red # 36	• PEG 16 Lanolin	• Wheat Germ Glyceride
• Decyl Oleate	• PEG 200 Dilaurate	• Wheat Germ Oil
• Dioctyl Succinate	• PEG 8 Stearate	• Xylene
• Disodium Monooleamido PEG 2- Sulfosuccinate	• PG Monostearate	
• Ethoxylated Lanolin

5. CARE AND STORAGE

- Store the serums in a cool, dry place away from direct sunlight.
- Ensure bottle caps are tightly closed after each use to maintain product integrity.
- Do not dilute the serums with water or other substances.

6. TROUBLESHOOTING

If you experience any adverse reactions such as excessive redness, irritation, or discomfort, discontinue use and consult a dermatologist. Ensure you are following the recommended application guidelines, especially for the CLEARITY serum's initial adjustment period.

7. PRODUCT SPECIFICATIONS

Attribute	Detail
Brand	CLEARSTEM
Model (ASIN)	B0959V9NMM
Age Range (Description)	Adult
Package Information	Bottle
Number of Items	1 (Duo)
Material Feature	Certified Organic, Natural

8. WARRANTY AND SUPPORT

For information regarding product warranty or customer support, please refer to the official CLEARSTEM website or contact their customer service directly. Specific warranty details are not provided within this manual.
