Sauder 427550

Sauder Hudson Court Lift Top Coffee Table

MODEL: 427550

Product Overview

The Sauder Hudson Court Lift Top Coffee Table is designed to enhance your living space with both style and functionality. It features a spacious top surface that lifts up and forward, transforming into a convenient workspace or dining area. Beneath the lift-top, a hidden storage compartment provides ample space for blankets, books, and board games, helping to keep your living room organized. Additional open shelves offer display and storage options for magazines and decorative items. Constructed with a durable 2-inch lightweight top and side panels, and finished in Charcoal Ash with Pearl Oak accents, this coffee table is built for longevity and designed to be a focal point in any room.

Assembly Instructions

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included hardware list and diagrams. Assembly typically involves connecting panels using cam and dowel fasteners, which provide a strong and secure connection.

Video: Detailed assembly instructions for connecting furniture panels using cam and dowel fasteners, a common method for Sauder furniture. This video illustrates the proper insertion and locking of these components.

Step-by-Step Cam and Dowel Assembly:

- 1. Insert Cam Dowels:** Screw the cam dowels into the pre-drilled holes of the first panel. Ensure they are fully seated and secure.
- 2. Attach Second Panel:** Align the second panel with the cam dowels, ensuring the cam lock holes are positioned correctly over the dowel heads. Press the panels together firmly.
- 3. Secure with Hidden Cams:** Insert the hidden cams into the larger holes on the second panel. Use a screwdriver to turn each cam 210 degrees clockwise to lock the panels together. The arrow on the cam should align with the edge of the board when locked.
- 4. Insert Cam Screws:** For cam screw connections, screw the cam screws into the designated holes on the first panel.
- 5. Attach Second Panel (Cam Screw):** Align the second panel over the cam screws.
- 6. Secure with Hidden Cams (Cam Screw):** Insert the hidden cams into the larger holes on the second panel, over the cam screws. Turn each cam 210 degrees clockwise to lock.

Follow the detailed diagrams and instructions provided in your physical assembly manual for specific component placement and sequence. It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

Operating the Lift-Top Feature

The Sauder Hudson Court Coffee Table features a smooth lift-top mechanism for versatile use. To raise the top, gently pull it upwards and forwards from the front edge. The mechanism will extend, allowing the top to lock into an elevated position suitable for working, dining, or other activities. To lower the top, gently lift it slightly to disengage the lock, then guide it downwards and backwards. The soft-close mechanism ensures a smooth and quiet return to

the closed position.

Storage Features:

- **Hidden Storage:** Beneath the lift-top, a spacious compartment is available for discreet storage of items such as blankets, remote controls, or board games.
- **Open Shelves:** The lower section of the coffee table includes open shelves, perfect for displaying decorative items, storing magazines, or organizing bins for easy access.

Care and Maintenance

To maintain the appearance and longevity of your Sauder Hudson Court Coffee Table, follow these care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood finish.
- **Heat and Moisture:** Use coasters under hot or cold beverages and placemats under dishes to protect the surface from heat and moisture rings.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Moving:** When moving the table, always lift it rather than dragging it to prevent damage to the legs and frame.

Troubleshooting

If you encounter any issues with your coffee table, consider the following common solutions:

- **Wobbly Table:** Ensure all cam locks and screws are fully tightened. Over time, fasteners may loosen and require re-tightening.
- **Lift-Top Not Smooth:** Check the lift mechanism for any obstructions. Ensure the table is on a level surface. If the issue persists, contact customer support.
- **Damaged Parts:** Do not attempt to repair significantly damaged parts. Contact Sauder customer support for replacement parts.

Warranty Information

The Sauder Hudson Court Lift Top Coffee Table is covered by a **5-year limited warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims. For full details regarding warranty coverage and exclusions, refer to the official Sauder warranty documentation or contact customer support.
