2. Safety Information

Always prioritize safety during assembly and use.

- Ensure all components are securely fastened before use.
- Do not overload drawers; adhere to the maximum weight recommendation.
- Keep small parts away from children during assembly to prevent choking hazards.
- This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm (Proposition 65 warning).
- Always follow the assembly instructions precisely to ensure structural integrity.

3. Setup and Assembly

Assembly of the Tvilum Austin 2-Drawer Nightstand is required. It is recommended that **two people** participate in the assembly process to ensure ease and safety. All necessary components for assembly are included in the packaging.

3.1 Interactive 3D Assembly Instructions

3.2 General Assembly Guidelines

- Unpack all components and verify against the parts list (usually found in the BILT app or included paper manual).
- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws, as this can damage the engineered wood.
- Ensure drawers retract smoothly on metal glides with built-in safety stops after assembly.

4. Operating Instructions

The Tvilum Austin Nightstand is designed for straightforward use.

- **Drawer Operation:** Gently pull the modern plastic silver bar handles to open the drawers. Push to close. The drawers are equipped with metal glides and built-in safety stops to prevent accidental removal.
- **Placement:** Position the nightstand on a flat, stable surface to ensure stability.

5. Maintenance and Care

Proper care will extend the life and appearance of your nightstand.

- **Cleaning:** Wipe the foil surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the engineered wood.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

6. Troubleshooting

If you encounter any issues with your nightstand, consider the following common solutions:

- **Drawers not closing smoothly:** Check if the metal glides are properly aligned and free of obstructions. Ensure all screws holding the glides are tight.
- **Nightstand wobbles:** Verify that the nightstand is placed on a level surface. Check all assembly fasteners and tighten any loose connections.
- **Missing parts:** Refer to the parts list in your assembly instructions (or BILT app) and contact Tvilum customer support if components are missing.
