LORELEI X8

LORELEI X8 Over-Ear Wired Headphones with Microphone - Instruction Manual

Model: X8 | Brand: LORELEI

INTRODUCTION

The LORELEI X8 Over-Ear Wired Headphones are designed to provide clear audio with a full dynamic range and rich bass. Featuring a built-in microphone and a durable, tangle-free cable, these headphones are suitable for various devices and activities. Their lightweight and foldable design ensures portability and comfort for extended use.

Image: LORELEI X8 Over-Ear Wired Headphones in Black-Gold color. The headphones feature a black headband and earcups with gold accents, connected by a black braided cable.

SETUP

1. **Identify Left and Right Earcups:** Locate the 'L' and 'R' markings on the inside of the headband above each earcup to ensure correct placement.
2. **Adjust Headband:** Gently slide the earcups up or down along the headband to achieve a comfortable and secure fit. The headband is designed to be adjustable for various head sizes.

ADJUSTABLE

HEADBAND

Image: Close-up of the LORELEI X8 headphone headband showing the adjustable slider mechanism. The headband can be extended or retracted to fit different head sizes.

3. **Connect to Device:** Insert the 3.5mm audio jack firmly into the audio port of your smartphone, tablet, computer, MP3/MP4 player, or other compatible device.

OPERATING INSTRUCTIONS

- **Audio Playback:** Once connected, audio from your device will play through the headphones. Adjust the volume using your device's controls.
- **In-line Microphone and Control:** The integrated microphone allows for hands-free communication. The control button on the cable provides quick access to functions:
 - **Single Click:** Play/Pause audio, Answer/End phone calls.
 - **Double Click:** Skip to the next track.
 - **Triple Click:** Go to the previous track.
- **Folding for Portability:** The headphones feature a foldable design for easy storage and transport. Gently fold the earcups inwards towards the headband until they are compact.

FOLDABLE & LIGHTWIGHT

ONLY 7.15OZ

Foldable design & Lightweight makes
it easier to carry and store

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe the earcups and headband. Avoid using harsh chemicals or abrasive materials.
- **Cable Care:** The 1.45m nylon braided cable is designed to be tangle-free. To maintain its condition, avoid excessive pulling or sharp bends.
- **Storage:** When not in use, fold the headphones and store them in a clean, dry place away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
No sound from headphones.	<ul style="list-style-type: none">• Ensure the 3.5mm audio jack is fully inserted into the device's port.• Check the volume level on your connected device.• Test with another audio device to rule out device-specific issues.
Microphone not working.	<ul style="list-style-type: none">• Verify the microphone is enabled in your device's audio settings.• Ensure the 3.5mm jack is fully inserted, as some devices require a complete connection for microphone functionality.
Headphones are uncomfortable.	<ul style="list-style-type: none">• Adjust the headband to find a more suitable fit.• Ensure earcups are correctly positioned over your ears.
