PawHut USD02-059V02

PawHut Heavy Duty Dog Crate User Manual

Model: USD02-059V02 | Brand: PawHut

Product Overview

The PawHut Heavy Duty Dog Crate is designed to provide a secure and comfortable enclosure for your pet. Constructed from durable alloy steel, it features lockable wheels for easy mobility, double doors for convenient access, and a slide-out tray for simplified cleaning. This kennel is suitable for various large dog breeds, offering a robust and stable environment for daily use.

This heavy-duty dog crate is built with a steel gauge tube frame and a solid steel net, ensuring strength and stability. Each bar is securely welded to the frame, providing an escape-proof design for your pet's safety.

Safety Information

Please read and understand all safety instructions before assembling or using the dog crate. Failure to follow these instructions may result in injury to your pet or damage to the product.

- Ensure all parts are securely fastened before placing your pet inside the crate.
- Regularly inspect the crate for any signs of wear, damage, or loose components. Do not use if damaged.
- Keep fingers and clothing clear of moving parts during assembly and operation.
- Do not allow children to play inside or on the crate.
- Ensure the crate is placed on a stable, level surface.
- Always engage the wheel brakes when the crate is stationary to prevent accidental movement.
- This crate is designed for indoor use. Prolonged outdoor exposure may affect its durability.
- Ensure the crate size is appropriate for your pet to stand, turn around, and lie down comfortably. Refer to the specifications section for dimensions and recommended breeds.

Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Crate Panels (Front, Back, Sides, Top, Bottom)
- Lockable Caster Wheels (x4)
- Slide-Out Tray
- Food Bowl
- Assembly Hardware (Bolts, Nuts, Washers, Wrenches)

Setup and Assembly

Assembly typically requires two people. Follow these steps carefully to ensure proper and secure construction of your dog crate.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Identify each component according to the package contents list.

2. **Attach Wheels:** Securely attach the four lockable caster wheels to the designated points on the bottom frame of the crate. Ensure they are tightened firmly using the provided wrench.

Image: Detail of a 360-degree universal caster wheel, illustrating its lock/unlock mechanism for easy mobility and stability.

3. **Assemble Side Panels:** Connect the side panels to the front and back panels using the provided bolts and nuts. Do not fully tighten all bolts until the entire frame is assembled.
4. **Attach Top and Bottom Panels:** Secure the top and bottom panels to the assembled side frame. Ensure all alignment points are correctly matched.
5. **Insert Slide-Out Tray:** Slide the plastic tray into the designated slot at the bottom of the crate. This tray is designed for easy removal and cleaning.
6. **Install Food Bowl:** Attach the food bowl holder to the desired location on the crate bars, then place the stainless steel food bowl into the holder.

7. **Final Tightening:** Once all panels are in place and aligned, systematically tighten all bolts and nuts to ensure the crate is rigid and stable. Double-check all connections.

Operation

The PawHut Heavy Duty Dog Crate is designed for ease of use and pet security.

- **Access Doors:** The crate features a large front door and a smaller access door within it, both secured with double bolt locks. To open, slide the bolts back and pull the door open. Ensure both bolts are fully engaged when closing the door to secure your pet.
- **Top Hatch:** An easy-open top hatch provides additional access for placing or removing your pet, or for cleaning. This hatch also features a bolt lock for security.

- **Mobility:** The four caster wheels allow for easy repositioning of the crate. To move, disengage the brakes on all wheels. To secure the crate in place, press down on the brake levers on each wheel until they are locked.
- **Food Bowl Usage:** The included stainless steel food bowl can be easily removed from its holder for filling and cleaning.

Maintenance and Cleaning

Regular maintenance and cleaning will extend the life of your PawHut dog crate and ensure a hygienic environment for your pet.

- **Daily Cleaning:** The slide-out tray makes daily cleaning simple. Pull out the tray, empty any debris, and wipe it clean with a damp cloth and mild, pet-safe detergent. Rinse thoroughly and dry before reinserting.

- **Crate Frame Cleaning:** Wipe down the metal frame and bars with a damp cloth. For stubborn dirt, use a mild, non-abrasive cleaner. Avoid harsh chemicals that could damage the finish or be harmful to your pet.
- **Food Bowl Cleaning:** The stainless steel food bowl is dishwasher safe or can be hand-washed with warm, soapy water. Clean regularly to prevent bacterial growth.
- **Inspection:** Periodically check all bolts, welds, and moving parts (like wheels and door hinges) to ensure they are secure and functioning correctly. Tighten any loose bolts.

Troubleshooting

If you encounter any issues with your PawHut Heavy Duty Dog Crate, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Crate is wobbly or unstable.	Loose assembly bolts; uneven surface.	Ensure all assembly bolts are fully tightened. Move the crate to a flat, level surface.
Doors do not close or lock properly.	Misalignment; obstruction; damaged lock mechanism.	Check for any obstructions. Ensure the crate frame is square. Inspect lock mechanisms for damage; contact support if damaged.
Wheels do not roll smoothly or lock.	Debris in wheels; brake mechanism stuck; loose attachment.	Clean any hair or debris from the wheel casters. Check if the brake lever is fully engaged/disengaged. Ensure wheels are securely attached to the frame.
Slide-out tray is difficult to remove/insert.	Dirt buildup; tray misalignment.	Clean the tray and its runners thoroughly. Ensure the tray is inserted straight and not at an angle.

If the problem persists after attempting these solutions, please contact PawHut customer support for further assistance.

Specifications

Detailed specifications for the PawHut Heavy Duty Dog Crate (Model: USD02-059V02).

Model Name: Heavy Duty Dog Cage

Model Number: USD02-059V02

Brand: PawHut
