

## LIVINGbasics 9Ft Double Camping Hammock with Steel Stand

# LIVINGbasics 9Ft Double Camping Hammock with Steel Stand User Manual

## 1. PRODUCT OVERVIEW

The LIVINGbasics 9Ft Double Camping Hammock with Space Saving Steel Stand is designed for comfortable relaxation in various outdoor and indoor settings. This complete set includes a durable cotton hammock and a heavy-duty steel stand, offering a high weight capacity and easy assembly.

### Key Features:

- **Durable Construction:** Tightly woven with high-quality cotton thread for a heavy, durable fabric.
- **Quick Assembly:** Steel stand assembles in minutes without tools.
- **High Weight Capacity:** Supports up to 440 lbs (200 kg) with a length of 9 ft.
- **Complete Set:** Includes all necessary components for immediate use.
- **Adjustable Height:** Easily adjust the hammock to your desired height.
- **Spacious Design:** Double hammock measures 102 3/8 inches by 59 1/16 inches.
- **Portable and Versatile:** Space-saving design suitable for travel, beach, yard, and outdoor camping.

## 2. SAFETY INFORMATION

Please read and understand all safety warnings and instructions before using this product. Failure to follow these instructions may result in serious injury.

- **WARNING:** Maximum weight capacity is 440 lbs (200 kg). Do not exceed this limit.
- Securely anchor the hammock to stable supports. Ensure all connections are tight before use.
- Always check the hammock and stand for wear, tear, or damage before each use. Do not use if any part is compromised.
- Keep children under supervision when near or using the hammock.

- Avoid sudden movements or excessive swinging, which can lead to instability.
- Do not stand in the hammock.
- Place the stand on a flat, stable surface to prevent tipping.

### 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Hammock fabric
- Steel stand components (various poles and connectors)
- Steel hooks
- Safety rope
- Carry bag

### 4. ASSEMBLY INSTRUCTIONS

The hammock stand is designed for quick and tool-free assembly. Follow these steps:

1. **Assemble the Base:** Connect the horizontal and vertical base poles by inserting them into the central connector. Secure with the provided pins.
2. **Attach Upright Poles:** Insert the two upright poles into the ends of the horizontal base poles. Secure them with pins.
3. **Install Hammock Supports:** Attach the U-shaped hammock supports to the top of the upright poles. Secure with the provided bolts and wing nuts.
4. **Attach Hammock:** Install the steel hooks into the designated holes on the upright poles. Straighten the hammock fabric and attach its loops to the steel hooks.
5. **Tie Safety Rope:** Secure the safety rope around the hammock loops and the upright pole for added stability.

## 5. OPERATING INSTRUCTIONS

---

### Using Your Hammock:

Once assembled, gently sit or lie down in the hammock. Distribute your weight evenly. The hammock is designed for comfortable lounging.

### Adjusting Hammock Height:

The upright poles of the stand feature multiple holes, allowing you to adjust the height of the hammock. To adjust, remove the steel hook, select a different hole, and re-insert the hook. Ensure both sides are adjusted to the same height for balance.

## 6. CARE AND MAINTENANCE

---

### Cleaning:

- **Hammock Fabric:** Hand wash with mild soap and cold water. Do not bleach. Air dry completely before storing.
- **Steel Stand:** Wipe down with a damp cloth and mild detergent. Dry thoroughly to prevent rust.

### Storage:

When not in use, especially during inclement weather or off-season, disassemble the hammock and stand.

Store all components in the provided carry bag in a dry, cool place away from direct sunlight and moisture. This will prolong the product's lifespan.

## 7. TROUBLESHOOTING

---

- **Hammock feels unstable:** Ensure the stand is on a flat, level surface. Double-check all pins, bolts, and hooks are securely fastened. Verify the safety rope is properly tied.
- **Difficulty attaching hammock:** Ensure the hammock loops are fully extended and not tangled. Adjust the height of the stand if the hammock is too taut or too loose.
- **Stand components do not fit:** Verify you are using the correct pieces for each connection point. Some parts may require a firm push to snap into place. Refer to the assembly video for visual guidance.
