# Graco FastAction Jogger LX Stroller Instruction Manual

Model: 2160262

## 1. INTRODUCTION

The Graco FastAction Jogger LX Stroller is designed for active parents seeking convenience and comfort. This stroller offers a one-second, one-hand fold, infant car seat compatibility, and a smooth ride across various terrains. This manual provides essential information for the safe assembly, operation, and maintenance of your stroller.

### Key Features:

- **One-Second, One-Hand Fold:** For ultimate convenience and portability.
- **Infant Car Seat Compatibility:** Secure one-step attachment for all Graco infant car seats using Click Connect™ technology.
- **Adjustable Handle:** 3-position height-adjustable handle for personalized comfort.
- **Air-Filled Rubber Tires:** Provide a smooth ride on any terrain.
- **Removable Seat Pad:** Converts the stroller into a lightweight infant car-seat carrier.
- **Practical Add-Ons:** Includes a child's tray and a parent's tray for convenience.

## 2. SAFETY INFORMATION

Always prioritize your child's safety. Read and understand all warnings and instructions before using the stroller. Failure to follow these instructions could result in serious injury or death.

### General Safety Guidelines:

- Never leave your child unattended in the stroller.
- Always use the 5-point harness system to secure your child.
- Ensure the stroller is fully open and locked before placing a child in it.
- Do not overload the storage basket or attach items to the handle that could cause the stroller to tip.

- Always engage the parking brake when the stroller is stationary.
- This stroller is designed for children up to 50 pounds.

### 3. ASSEMBLY

---

Adult assembly is required. No tools are needed for assembly. Follow the steps below to set up your Graco FastAction Jogger LX Stroller.

1. **Unpack Components:** Remove all parts from the packaging. Verify all components are present: stroller frame, forward-facing seat, and stroller cover/canopy.
2. **Attach Wheels:** Securely attach the front and rear wheels to the stroller frame. Ensure they click into place.
3. **Unfold Stroller:** Release the storage latch and unfold the stroller until it locks into the open position.
4. **Attach Child's Tray:** Align the child's tray with the attachment points on the stroller frame and press firmly until it clicks.
5. **Attach Parent's Tray:** Attach the parent's tray to the handlebar.

### 4. OPERATING INSTRUCTIONS

---

#### 4.1. Folding and Unfolding

The Graco FastAction Jogger LX features a signature one-second, one-hand fold for quick and easy storage.

- **To Unfold:** Release the storage latch and lift the handlebar until the stroller locks into the open position.
- **To Fold:** Locate the one-hand fold strap in the seat. Pull the strap upwards firmly until the stroller collapses and the storage latch engages.

# 1-Second, 1-Hand **FASTACTION FOLD**

The ultimate convenience for parents on the go

**Image: Stroller Folding Mechanism.** This image illustrates the stroller in both its fully open and compactly folded configurations, demonstrating the ease of the one-hand fold feature.

## 4.2. Adjusting Seat Recline

The seat can be adjusted to multiple recline positions for your child's comfort. Locate the recline mechanism at the back of the seat and adjust as needed.

**Image: Reclined Stroller Seat.** This image displays the stroller seat in a reclined position, suitable for napping or younger infants, emphasizing the comfort and adjustability.

### 4.3. Adjusting Handlebar Height

The handlebar is 3-position height-adjustable to provide personalized comfort for parents of different heights. Locate the adjustment buttons on either side of the handlebar and press to extend or retract the handle.

**Image: Adjustable Stroller Handle.** This image highlights the adjustable handlebar feature, showing how it can be extended or retracted to suit the user's height for comfortable pushing.

#### 4.4. Using Brakes

The stroller is equipped with a foot-activated parking brake. Press down on the brake pedal located near the rear wheels to engage the brake. Lift the pedal to release.

#### 4.5. Infant Car Seat Compatibility

The Graco FastAction Jogger LX Stroller accepts all Graco infant car seats with a secure one-step attachment using Click Connect™ technology. Remove the seat pad to convert the stroller into a lightweight infant car-seat carrier. Align the car seat with the stroller's attachment points and press down until it clicks securely.

# 2 Strollers in 1

**1** Infant Car  
Seat Carrier

**2** Toddler  
Stroller

(car seat sold separately)

**Image: Infant Car Seat Carrier Configuration.** This image shows the stroller with a compatible Graco infant car seat securely attached, demonstrating its versatility as a travel system.

## 4.6. Using Child's Tray and Parent's Tray

The stroller includes a child's tray with cup holders and a parent's tray with cup holders and a storage compartment for personal items.

**Image: Stroller Accessory Trays.** This image details the child's tray and parent's tray, highlighting the integrated cup holders and storage compartments for convenience during outings.

## 4.7. Using Canopy

The extra-large canopy provides ample shade and protection from the elements. It features an extendable visor and a peek-a-boo window to keep an eye on your child.

# Stroller supports children up to 50 lb

**Image: Stroller with Extended Canopy.** A mother and child are shown using the stroller with the canopy fully extended, illustrating its protective coverage from sun and wind.

## 5. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your stroller.

- **Cleaning:** Wipe clean with a damp cloth. Refer to the full product manual for detailed cleaning instructions for fabric components.
- **Wheel Maintenance:** Periodically check the air-filled rubber tires for proper inflation and wear. Ensure all wheel mechanisms are free of debris.
- **General Inspection:** Regularly inspect all parts for loose fasteners, worn parts, or broken stitching. Replace any damaged parts immediately.

## 6. TROUBLESHOOTING

If you encounter any issues with your stroller, refer to the following common troubleshooting tips. For persistent problems, contact customer support.

- **Stroller Not Folding/Unfolding:** Ensure all components are properly aligned and the storage latch is fully disengaged/engaged. Check for any obstructions.
- **Wheels Not Rolling Smoothly:** Check tire pressure and remove any debris from the wheel axles. Ensure the front swivel wheel is unlocked for maneuverability or locked for jogging.
- **Harness Not Securing:** Verify all buckles are correctly fastened and straps are adjusted snugly to your child's size.
