2. Pairing with a Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for available Bluetooth devices and select "X11" from the list.
5. Once connected, you will hear a confirmation prompt, and the LED indicator on the earbuds will change.

The earbuds will automatically connect to the last paired device when removed from the case, if Bluetooth is enabled on that device.

STABLE CONNECTION

Fast and smooth connection

15m Distance

*Left and right earbuds can be used independently

Crystal Clear Calls with Noise Cancelling

Built-in MEMS microphones and cVc 8.0 noise cancelling technology work together to effectively reduce environmental noise. This enhances your voice during phone calls, ensuring high-quality and crystal-clear conversations even in noisy environments.

BATTERY LIFE & CHARGING

Enjoy extended listening with the VEENAX X11's impressive battery performance.

- **Earbud Playtime:** A single full charge provides up to 6 hours of continuous playback.
- **Extended Playtime with Case:** The portable charging case extends the total playtime to an impressive 150 hours.
- **Quick Charge:** A quick 10-minute charge can provide up to 1 hour of playtime.
- **Charging Port:** The charging case is powered via a USB-C charging cable.

COMFORT AND FIT

The X11 earbuds are designed for a secure and comfortable fit, ideal for extended wear and active lifestyles.

- **Ergonomic Design:** Specially designed earpieces fully fit the ear canal, ensuring stability.
- **Customizable Fit:** Includes S/M/L sizes of silicone eartips to provide a comfortable and secure fit for various ear shapes.
- **Noise Isolation:** The sealed in-ear ergonomic design contributes to effective passive noise isolation, enhancing sound clarity.

COMFORTABLE FIT

Fully fit into your ear canal. Never fall off

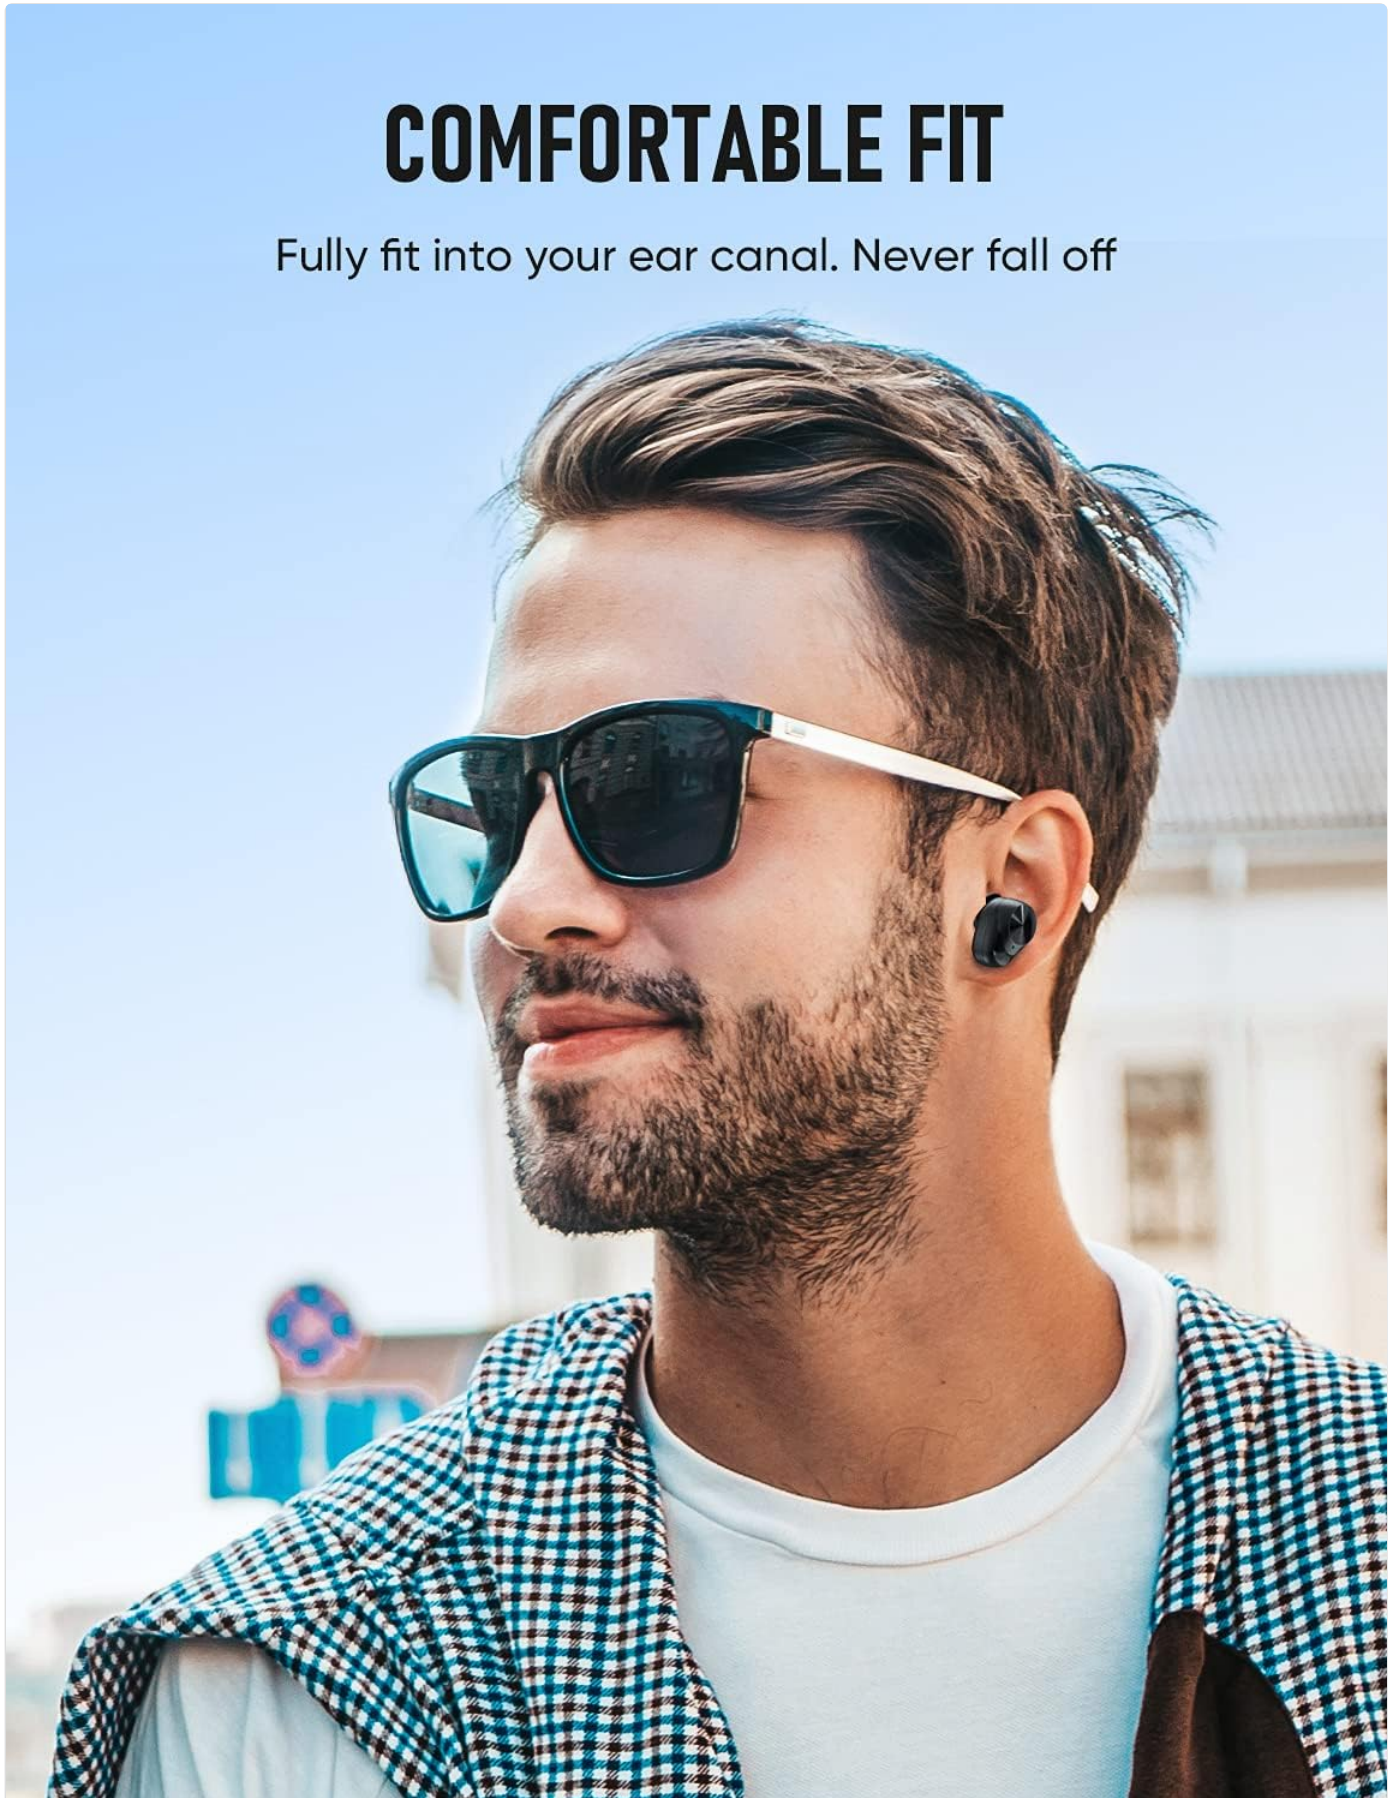

Image: A person wearing a VEENAX X11 earbud, demonstrating its comfortable and secure fit within the ear.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Eartips:** Remove and clean the silicone eartips periodically with mild soap and water. Ensure they are completely dry before reattaching.
- **Water Resistance:** The earbuds have a waterproof rating (refer to specifications for details). While resistant to splashes and sweat, avoid submerging them in water.

TROUBLESHOOTING

Reset Procedure

If the earbuds cannot be paired simultaneously or connected with your devices, follow these steps to reset them:

1. Turn off the Bluetooth function on all your devices.
2. Triple tap both the left and right earbuds simultaneously to remove pairing records and initiate a reset.
3. Place the earbuds back in the charging case and ensure they are charging for a few hours.
4. Reconnect the earbuds with your desired device via Bluetooth as per the "Pairing with a Device" instructions.

General Issues

- **No Sound:** Ensure volume is up on both the earbuds and the connected device. Check if earbuds are properly paired.
- **Intermittent Connection:** Ensure no obstructions between earbuds and device. Keep devices within the 15-meter Bluetooth range.
- **Charging Issues:** Verify the charging cable is securely connected and the power source is active. Clean charging contacts on earbuds and case if necessary.
