Instruction Manual

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sluban M38-B0896 Fairy Tales of Winter Carriage building set. Please read this manual carefully before beginning assembly to ensure correct construction and safe use of the product. This set is designed to provide an engaging building experience and imaginative play.

Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play.
- Keep all packaging materials away from children to prevent suffocation.
- Do not ingest any parts of the building set.
- Ensure all connections are secure to prevent parts from detaching during play.

Package Contents

Verify that all components are present before starting assembly.

- 1 x Fairy Tales of Winter – Carriage 191Cs building set components
- Full color instruction booklet

Setup and Assembly

Follow the included full-color instruction booklet step-by-step to assemble the Fairy Tales of Winter Carriage. Organize the building blocks by color and shape to facilitate the assembly process.

1. **Unpack Components:** Carefully open the packaging and lay out all the building blocks on a clean, flat surface.
2. **Review Instructions:** Familiarize yourself with the instruction booklet. Each step is illustrated to guide you through the construction.
3. **Assemble Sections:** Begin by assembling smaller sections as indicated in the manual, then connect them to form larger parts of the carriage and figures.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable and durable model.

5. **Final Inspection:** Once assembly is complete, check that all parts are correctly attached and the model is stable.

Operating the Product

The Sluban Fairy Tales of Winter Carriage is a building set designed for imaginative play. Once assembled, the carriage and figures can be used to create various scenarios and stories.

- **Interactive Play:** The figures can be placed inside the carriage or on the unicorn to simulate movement and adventures.
- **Creative Storytelling:** Encourage children to develop their own narratives and interactions with the assembled model.
- **Modular Design:** The set is fully compatible with other Sluban building blocks, allowing for expansion and customization.

Image 3: This image displays two separate scenes. The top scene shows the carriage and unicorn connected, with figures inside. The bottom scene shows one figure interacting with the unicorn, which has detachable wings, demonstrating play versatility.

Maintenance

Proper care will ensure the longevity of your building set.

- **Cleaning:** Wipe the blocks and assembled model with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic parts.
- **Disassembly:** If disassembling, keep all small parts together in a container to prevent loss.

Troubleshooting

- **Missing Parts:** If you find any parts missing upon opening the package, please contact Sluban customer support with your product code (M38-B0896) and a description of the missing part.
- **Difficulty Assembling:** Refer to the instruction booklet. Ensure you are using the correct pieces for each step. If a piece does not fit, do not force it; re-check the instructions.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Sometimes, slight adjustments are needed to achieve a secure fit.
