Sluban M38-B0885A

Sluban M38-B0885A Builder-Sport Car Instruction Manual

MODEL: M38-B0885A

1. Introduction

Thank you for choosing the Sluban M38-B0885A Builder-Sport Car. This manual provides essential information for the safe assembly, operation, and maintenance of your new building block set. This kit allows you to construct a detailed sport car model using high-quality plastic building blocks that are fully compatible with other major building block brands. Please read this manual thoroughly before beginning assembly.

2. Safety Information

Please observe the following safety guidelines to ensure a safe and enjoyable experience:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 6 years of age. Keep all components away from infants and young children to prevent accidental ingestion.
- **Adult Supervision:** Adult supervision is recommended during assembly and play, especially for younger children.
- **Proper Use:** Use the product only as intended. Do not throw, hit, or misuse the assembled model or individual parts.
- **Material Safety:** All parts are made from non-toxic plastic. In case of damage, dispose of broken parts safely.

3. Parts List

The Sluban M38-B0885A Builder-Sport Car kit includes various plastic building blocks and specialized pieces required to construct the sport car model. A detailed, full-color instruction booklet is included in the product packaging, which provides a comprehensive list and visual guide to all components. Please refer to this physical booklet to identify and sort all parts before beginning assembly.

4. Assembly Instructions

Follow these general steps for assembling your Builder-Sport Car. For detailed, step-by-step instructions, refer to the full-color instruction booklet provided in your product box.

1. **Unpack and Sort:** Carefully unpack all components from the box. Sort the building blocks by color, size, or type as indicated in the instruction booklet to facilitate assembly.
2. **Follow the Booklet:** Begin assembly by following the numbered steps and diagrams in the included instruction booklet. Each step illustrates which pieces to use and how to connect them.
3. **Connect Securely:** Ensure that all blocks are firmly pressed together to create stable connections. Loose connections can lead to the model falling apart during play.
4. **Review Each Step:** Before moving to the next step, double-check that you have correctly completed the current step. This helps prevent errors that may require disassembling later sections.
5. **Final Inspection:** Once assembly is complete, inspect the entire model to ensure all parts are securely attached and the structure is stable.

5. Operating Instructions

The Sluban M38-B0885A Builder-Sport Car is a manual operation model designed for imaginative play. It does not require batteries or any external power source.

- **Manual Play:** Once assembled, the sport car can be pushed and maneuvered by hand on smooth surfaces.
- **Creative Play:** Encourage creative storytelling and role-playing with the assembled model.
- **No Batteries Required:** This model is not motorized and operates solely through manual interaction.

6. Maintenance

Proper care will help maintain the appearance and longevity of your Sluban Builder-Sport Car:

- **Cleaning:** To clean the model, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the plastic.
- **Storage:** Store the assembled model or disassembled parts in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.
- **Handling:** Handle the model with care to avoid accidental breakage of small parts or connections.

7. Troubleshooting

If you encounter any issues with your Sluban M38-B0885A Builder-Sport Car, please refer to the following common solutions:

- **Missing Parts:** If you find that essential parts are missing from your kit, please contact Sluban customer support with your product model number and details of the missing components.
- **Loose Connections:** If parts of the model feel loose or detach easily, carefully re-examine the assembly steps in the instruction booklet and ensure all blocks are pressed firmly together.
- **Difficulty Assembling:** If you are having trouble connecting certain pieces, ensure you are using the correct parts for that step and applying firm, even pressure. Refer to the diagrams in the instruction booklet for visual guidance.

8. Specifications

Feature	Detail
Brand	Sluban
Model Number	M38-B0885A
Item Type Name	Builder-Sport Car
Material Type	Plastic
Color	Multicolored
Item Dimensions (L x W x H)	3.07 x 1.57 x 1.57 inches (assembled)
