Sluban M38-B0667B

Sluban M38-B0667B Aviation III-Plane 120pcs Instruction Manual

Model: M38-B0667B

1. Introduction

This manual provides instructions for the assembly, operation, and maintenance of the Sluban M38-B0667B Aviation III-Plane building set. This set contains 120 pieces designed to construct a detailed model airplane. Please read all instructions carefully before beginning assembly.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for younger children.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put building blocks in the mouth.
- Ensure all pieces are securely connected to prevent accidental detachment during play.

3. What's Included

The Sluban M38-B0667B Aviation III-Plane set includes the following components:

- 120 x Building Block Pieces (various shapes and sizes)
- 1 x Full-color Instruction Booklet
- 1 x Minifigure (pilot)

Please verify that all components are present before starting assembly. Refer to the included instruction booklet for a detailed list of parts.

4. Assembly Instructions

Follow the steps below to assemble your Sluban M38-B0667B Aviation III-Plane. For detailed, step-by-step visual guidance, refer to the full-color instruction booklet included in the box.

1. **Unpack and Sort:** Carefully open the packaging and remove all building blocks and the instruction booklet. It is recommended to sort the pieces by color or type to facilitate assembly.
2. **Consult Instruction Booklet:** Open the included full-color instruction booklet. Each step is illustrated to guide you through the construction process.
3. **Follow Step-by-Step:** Begin by following the instructions from page 1. Connect the specified pieces firmly together. Ensure each connection is secure before proceeding to the next step.
4. **Build the Base:** Typically, assembly starts with the base structure of the aircraft, forming the fuselage.
5. **Add Wings and Tail:** Attach the wings and tail sections according to the diagrams. Pay attention to the orientation of specialized pieces.
6. **Construct Cockpit and Engine:** Assemble the cockpit area, including the seat for the minifigure, and the engine section with the propeller.
7. **Place Minifigure:** Once the cockpit is complete, place the pilot minifigure inside.
8. **Final Details:** Add any remaining decorative or structural pieces to complete the model.

5. Operation

The Sluban M38-B0667B Aviation III-Plane is a static display model and a toy for imaginative play. Once assembled, the model can be used for:

- **Display:** Place the finished model on a shelf or desk as a decorative item.
- **Imaginative Play:** Engage in creative play scenarios, simulating flight and adventures with the included pilot minifigure.

No batteries or electronic components are required for operation.

6. Maintenance and Care

To ensure the longevity of your Sluban M38-B0667B Aviation III-Plane model, follow these simple care instructions:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For more stubborn dirt, a slightly damp cloth with mild soap can be used, followed by thorough drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to delicate parts.

7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing, first double-check the packaging and surrounding area. If pieces are still missing, contact Sluban customer support with your product model number (M38-B0667B) and a description of the missing parts.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly before applying pressure. Some pieces may require a firm push to connect securely. Do not force pieces if they do not fit, as this may cause damage. Refer to the instruction booklet for correct orientation.
- **Model Falls Apart:** Verify that all connections are firm. Re-examine the instruction booklet to ensure all steps were followed correctly and pieces are in their intended positions.

8. Specifications

Feature	Detail
Model Number	M38-B0667B
Brand	Sluban
Number of Pieces	120
Material Type	Plastic
Item Dimensions (L x W x H)	6.69 x 5.91 x 3.15 inches (16.8 x 15.0 x 8.0 cm)
