Sluban M38-B0667C Aviation III-Training Plane Instruction Manual

Model: M38-B0667C

1. INTRODUCTION

Thank you for choosing the Sluban M38-B0667C Aviation III-Training Plane building set. This manual provides detailed instructions for assembling, operating, and maintaining your model. Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience. This set contains 116 pieces designed to construct a detailed training plane model. It is fully compatible with other major building block brands.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger children.
- **Age Recommendation:** Recommended for ages 6 years and up (Manufacturer Minimum Age: 72 months).
- **Material:** The building blocks are made from plastic. Do not ingest.
- **Disposal:** Dispose of packaging materials responsibly.

3. PACKAGE CONTENTS

Please verify that all components are present before starting assembly. The package should contain:

- 1 x Sluban M38-B0667C Aviation III-Training Plane building set (116 pieces)
- 1 x Full-color instruction booklet

If any parts are missing or damaged, please refer to the "Support" section for assistance.

4. SETUP AND ASSEMBLY

Assembly of the Sluban M38-B0667C Aviation III-Training Plane is straightforward using the included full-color instruction booklet. Follow these general steps:

1. **Unpack Components:** Carefully open the packaging and lay out all the building blocks on a clean, flat surface.
2. **Review Instructions:** Familiarize yourself with the full-color instruction booklet. Each step is illustrated to guide you through the assembly process.
3. **Follow Step-by-Step:** Begin assembling the model by following the numbered steps in the instruction booklet. Pay close attention to the colors and shapes of the blocks shown in each step.
4. **Secure Connections:** Ensure that all blocks are firmly connected to prevent the model from falling apart during play.
5. **Verify Completion:** Once all steps are completed, compare your assembled model with the images in the booklet to ensure accuracy.

5. OPERATING (PLAY)

Once assembled, the Sluban M38-B0667C Aviation III-Training Plane is ready for imaginative play. This model is designed for display and interactive play scenarios.

- **Handling:** Handle the model gently to avoid dislodging parts.
- **Creative Play:** Encourage creative storytelling and role-playing with the training plane.
- **Compatibility:** The blocks are compatible with other major building block brands, allowing for integration into larger play setups.

6. MAINTENANCE

Proper care will ensure the longevity of your Sluban building set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Disassembly:** If disassembling the model for storage, keep all pieces together to avoid loss.

7. TROUBLESHOOTING

Most issues with building block sets are related to assembly or missing parts.

- **Missing Pieces:** If you discover missing pieces, double-check the packaging and the area where you unpacked the set. If pieces are still missing, contact Sluban customer support as detailed in the "Support" section.
- **Assembly Difficulties:** If you encounter difficulty with a specific step, re-examine the instruction booklet carefully. Sometimes, a small detail or orientation of a block can be overlooked. Ensure blocks are pressed firmly together.
- **Loose Connections:** If parts feel loose, ensure they are correctly aligned and fully pressed into place.

8. SPECIFICATIONS
