Sluban M38-B0759C Maintenance Shop Instruction Manual

Model: M38-B0759C | Brand: Sluban

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Sluban M38-B0759C Maintenance Shop building set. Please read this manual thoroughly before beginning assembly to ensure correct construction and safe use of the product.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 6 and up.
- **Material:** The building blocks are made from plastic. Ensure children do not ingest any parts.
- **Assembly:** Follow the instructions carefully. Do not force pieces together, as this may cause damage.
- **Storage:** Store the set in a dry, clean place away from direct sunlight and extreme temperatures to prevent material degradation.

PACKAGE CONTENTS

The Sluban M38-B0759C Maintenance Shop set includes:

- 340 building pieces (plastic, multicoloured)
- Full-colour instruction manual
- Various accessory pieces including figures and vehicle components

SETUP AND ASSEMBLY

The Sluban M38-B0759C Maintenance Shop requires assembly. Please follow the included full-colour instruction manual for step-by-step guidance.

- 1. Unpack Components:** Carefully open the packaging and lay out all the building pieces. It is recommended to sort pieces by colour or type to facilitate assembly.
- 2. Consult Instructions:** Refer to the dedicated instruction booklet provided in the box. Each step is illustrated to guide you through the construction process.
- 3. Assemble Base Structure:** Begin by constructing the base of the maintenance shop, ensuring all pieces are securely connected.
- 4. Build Walls and Features:** Proceed to build the walls, roof, and internal features such as the vehicle lift and tool racks, as shown in the manual.
- 5. Add Details and Figures:** Attach smaller decorative elements, tools, and assemble the included mini-figures and vehicle.

OPERATING THE MAINTENANCE SHOP

Once assembled, the Sluban Maintenance Shop offers interactive play features:

- **Vehicle Lift:** The shop includes a functional vehicle lift. Position the car onto the lift platform and use the mechanism to raise or lower the vehicle for simulated repairs.
- **Movable Parts:** The large wrench on the roof and other small tools are movable, allowing for dynamic play scenarios.
- **Figures:** The included mini-figures can be placed in various positions around the shop and inside the vehicle to simulate different roles and activities.

MAINTENANCE

- **Cleaning:** To clean the building blocks, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** When not in use, store the assembled set or individual pieces in a clean, dry container to prevent dust accumulation and loss of parts.
- **Disassembly:** If disassembling the set, do so carefully to avoid breaking connection points. Keep all pieces together for future reassembly.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing upon opening the box, please contact Sluban customer support with your product model number and details of the missing parts.
- **Difficulty Assembling:** Refer to the instruction manual for detailed visual steps. Ensure pieces are oriented correctly and apply gentle, firm pressure to connect them. Do not force pieces.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Some connections may require a firmer push.
