Sluban M38-B0760

Sluban M38-B0760 Police Collection 4-in-1 Building Blocks Instruction Manual

Model: M38-B0760

1. Introduction

This instruction manual provides detailed guidance for the assembly, use, and maintenance of your Sluban M38-B0760 Police Collection 4-in-1 building block set. This set allows for the construction of four distinct police-themed vehicles from a single collection. Please read these instructions carefully before beginning assembly to ensure a correct and enjoyable building experience.

2. Product Overview

The Sluban M38-B0760 Police Collection is a building block set designed for enthusiasts aged 6 years and above. It features a "4-in-1" design, meaning the components can be used to construct four different police vehicles. The set promotes numeracy and spatial awareness through hands-on construction.

Figure 2.1: The Sluban M38-B0760 Police Collection 4-in-1 Display Box, showcasing the various models that can be built.

3. Safety Information

Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 6-8.
- **Material:** The building blocks are made of plastic. Do not expose to extreme heat or open flames.
- **Handling:** Avoid throwing or forcefully impacting the assembled models to prevent breakage or injury.

4. Package Contents

The Sluban M38-B0760 Police Collection 4-in-1 Display Box includes:

- Assorted plastic building blocks required to construct four different police vehicles.
- Full-color instruction manual for assembly (language may vary).

- One 2-tier display box (20cm total height).

Please verify all components are present upon opening the package. If any parts are missing, contact Sluban customer support.

5. Assembly Instructions

The Sluban M38-B0760 set allows for the construction of four distinct police vehicles. The included full-color instruction manual provides step-by-step guidance for each model. Follow the diagrams carefully for proper assembly.

1. **Unpack Components:** Carefully open the display box and remove all building blocks and the instruction manual.
2. **Sort Parts:** For easier assembly, sort the building blocks by color, size, or type as suggested in the manual.
3. **Select Model:** Choose one of the four police vehicles you wish to build first. Refer to the corresponding section in the instruction manual.
4. **Follow Steps:** Proceed step-by-step, attaching blocks as indicated in the diagrams. Ensure blocks are firmly connected.
5. **Verify Assembly:** After completing a model, check that all parts are correctly placed and secure.

Below are examples of the models that can be constructed:

Figure 5.1: Example of a police helicopter model that can be assembled.

Figure 5.2: Example of a police car model that can be assembled.

Figure 5.3: Example of a police tank model that can be assembled.

Figure 5.4: Example of a police armored vehicle model that can be assembled.

6. Operating Instructions

Once assembled, the Sluban Police Collection models are ready for imaginative play. There are no electronic components or complex operating procedures.

- **Interchangeability:** The "4-in-1" feature allows you to disassemble one model and use the same blocks to build another. Keep the instruction manual handy for rebuilding.
- **Compatibility:** Sluban blocks are fully compatible with other major building block brands, allowing for expanded creative possibilities.
- **Display:** The included display box can be used to store or showcase your assembled models.

7. Maintenance

Proper care will ensure the longevity of your Sluban building block set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For deeper cleaning, wash with mild soap and water, then rinse thoroughly and air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks and assembled models in a cool, dry place away from direct sunlight to prevent discoloration or warping. The original display box is suitable for storage.
- **Disassembly:** When disassembling models, do so gently to avoid stressing or breaking the plastic connectors.

8. Troubleshooting

If you encounter issues during assembly or use, consider the following:

- **Missing Parts:** Double-check the packaging and surrounding area. If parts are genuinely missing, contact Sluban customer support with your product code (M38-B0760).
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply firm, even pressure. If a block is consistently difficult, check for any manufacturing defects.
- **Model Instability:** Review the assembly steps for the specific section that is unstable. Ensure all blocks are fully pressed together.
- **Instructions Unclear:** Refer to the diagrams carefully. If a step remains unclear, try to visualize the next few steps to understand the overall structure.

9. Specifications

Attribute	Detail
Model Number	M38-B0760
Brand	Sluban
Material	Plastic
Item Weight	1.41 Kilograms
Item Dimensions (L x W x H)	23.6 x 10 x 10 centimetres
Recommended Minimum Age	6 years (72 months)
