## WLIVE ASNG059HH

# WLIVE Grey Dresser User Manual

Model: ASNG059HH | Brand: WLIVE

## 1. INTRODUCTION

Thank you for choosing the WLIVE Grey Dresser. This tall organizer unit is designed to provide ample storage space for your bedroom, living room, or closet, featuring 10 fabric drawers, a sturdy metal frame, and a wooden top. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new furniture.

## 2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to prevent the dresser from falling over, especially in households with children or pets. Securely attach the device to a wall stud.
- **Weight Distribution:** Distribute weight evenly across all drawers. Avoid placing excessively heavy items in upper drawers to maintain stability.
- **Surface Stability:** Ensure the dresser is placed on a flat, stable, and level surface. Use the adjustable feet to compensate for uneven flooring.
- **Children Safety:** Do not allow children to climb on or play with the dresser or its drawers.

## 4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your WLIVE Grey Dresser. It is recommended to have two people for assembly, though one person can manage.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the package contents list to ensure all parts are present.
2. **Assemble the Metal Frame:** Connect the vertical and horizontal metal bars according to the provided diagrams in the separate assembly sheet. Ensure all screws are tightened securely.
3. **Install Drawer Supports:** Attach the solid drawer slides to the metal frame as indicated in the assembly instructions. These supports ensure smooth operation of the fabric drawers.
4. **Attach Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the metal frame. Adjust them later to level the dresser on your floor.

5. **Place the Wooden Top:** Carefully place the wooden top onto the assembled metal frame. Secure it using the provided hardware.
6. **Assemble Fabric Drawers:** Unfold each fabric drawer and insert the bottom panel to create a rigid structure. Attach the handles to the front of each drawer.
7. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots in the metal frame.
8. **Install Anti-Tipping Device:** Following the instructions in the anti-tipping kit, secure the dresser to the wall. This is a critical safety step.

## 5. OPERATING INSTRUCTIONS

The WLIVE Grey Dresser is designed for convenient storage. Follow these guidelines for optimal use:

- **Drawer Usage:** Gently pull and push the fabric drawers using the handles. Avoid forcing drawers open or closed.
- **Weight Capacity:** Each fabric drawer is designed to hold approximately 6.6 lbs (3 kg). Do not exceed this weight limit to prevent damage to the drawers or frame.
- **Top Surface:** The wooden top can support items such as lamps, clocks, and small decorative items. Ensure items placed on top do not exceed the dresser's overall stability.

Figure 5.1: Illustration demonstrating the large storage capacity of each drawer and the recommended weight limit of 6.6 lbs per drawer.

Figure 5.2: The dresser integrated into a bedroom, showing some drawers partially open to illustrate storage.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the metal frame and wooden top with a dry, soft cloth. For the fabric drawers, spot clean with a damp cloth and mild detergent if necessary, then air dry completely. Do not use harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Avoid Moisture:** Keep the dresser away from excessive moisture and direct sunlight to prevent warping or fading of materials.
- **Check Connections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## 7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common problems and solutions:

**Table 7.1: Common Issues and Solutions**

Problem	Possible Cause	Solution
Dresser is wobbly/unstable	Uneven floor; loose connections	Adjust the leveling feet at the bottom of the frame. Tighten all assembly screws. Ensure the anti-tipping device is installed.
Drawers do not slide smoothly	Drawer not properly inserted; obstruction; overloaded drawer	Ensure the drawer is correctly seated on its supports. Check for any items obstructing the drawer path. Reduce the weight in the drawer.
Fabric drawers appear deformed	Bottom panel not fully inserted; excessive weight	Ensure the rigid bottom panel is fully inserted and flat within the drawer. Do not exceed the 6.6 lbs weight limit per drawer.
