## DEVAISE B095PH35PN

# DEVAISE 2 Drawer Mobile File Cabinet Instruction Manual

Model: B095PH35PN

## PRODUCT OVERVIEW

The DEVAISE 2 Drawer Mobile File Cabinet is a versatile storage solution designed for home and office environments. It features two fabric drawers suitable for A4 or letter-sized hanging file folders, a sturdy steel frame, and a wooden top that can also serve as a printer stand. Equipped with rolling casters, it offers easy mobility and includes built-in brakes for stability.

## SAFETY INFORMATION

Please read and understand all safety information before assembling or using this product. Failure to follow these instructions may result in injury or product damage.

- Always use the brakes on the casters when the cabinet is stationary to prevent unintended movement.
- Keep the cabinet away from children's reach to prevent accidents.
- Do not overload the cabinet as it may tip over. The maximum weight capacity is 66 lbs.
- Always follow the assembly instructions carefully to ensure the cabinet is stable and secure.

## SETUP AND ASSEMBLY

The DEVAISE Mobile File Cabinet is designed for easy assembly. While all necessary tools are included, using your own tools may expedite the process. Follow these general steps:

1. Unpack all components and verify against the parts list provided in your package.
2. Assemble the steel frame according to the diagrams. Ensure all screws are tightened securely.
3. Attach the wooden top to the assembled frame.
4. Insert the fabric drawers into their respective slots. Ensure the hanging file folder racks are properly installed within the drawers. Note: Hanging file folders are not included.
5. Attach the 360° swivel casters to the base of the cabinet. Ensure the two front casters with built-in brakes are positioned correctly.

## OPERATING INSTRUCTIONS

This mobile file cabinet is designed for ease of use and versatility.

- **File Storage:** Utilize the two fabric drawers for organizing A4 or letter-sized hanging file folders. The integrated racks ensure files remain upright and accessible.
- **Mobility:** To move the cabinet, unlock the brakes on the front casters. The 360° swivel casters allow for smooth movement across various floor surfaces.
- **Stability:** Once the cabinet is in your desired location, engage the brakes on the front casters to secure it in place and prevent accidental rolling.
- **Printer Stand:** The sturdy wooden top provides a stable surface for a printer or other office equipment, with a maximum load capacity of 66 lbs.

# ANTI-DROP BUCKLE

## MAINTENANCE

To ensure the longevity and appearance of your DEVAISE Mobile File Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe the wooden top and steel frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For fabric drawers, spot clean with a mild detergent and allow to air dry.
- **Casters:** Periodically check the casters for any debris (e.g., hair, dust) that might impede smooth rolling. Clean as necessary.
- **Fasteners:** Over time, screws and fasteners may loosen. Periodically check and tighten all connections to maintain stability.
- **Load Capacity:** Do not exceed the maximum weight capacity of 66 lbs on the top surface or within the drawers to prevent damage or instability.

## TROUBLESHOOTING

If you encounter any issues with your file cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Overloaded drawer; debris in tracks; misaligned frame.	Reduce load in drawer. Check for and remove any debris. Verify frame assembly and tighten screws.
Cabinet is unstable or wobbly.	Loose fasteners; uneven floor; incorrect assembly.	Check and tighten all screws and bolts. Ensure the cabinet is on a flat, level surface. Review assembly instructions.
Hanging files slip off racks.	Improper installation of file racks; overloaded files.	Ensure the file racks are correctly seated and secured within the fabric drawers. Avoid overfilling files.
Casters do not roll freely.	Debris caught in wheels; brakes engaged.	Clear any debris from the wheels. Ensure brakes are disengaged for movement.

## SPECIFICATIONS

- **Brand:** DEVAISE
- **Model:** B095PH35PN
- **Color:** Rustic Brown
- **Material:** Steel, Fabric, Engineered Wood
- **Product Dimensions:** 15.7"D x 15.4"W x 26.8"H
- **Item Weight:** 14.7 pounds
- **Maximum Load Capacity:** 66 Pounds
- **Number of Drawers:** 2
- **Special Feature:** Lightweight, Mobile (Casters), Printer Stand Functionality
- **Assembly Required:** Yes
