Ergobaby Metro+

Ergobaby Metro+ Compact Baby Stroller Instruction Manual

Model: Metro+

INTRODUCTION

The Ergobaby Metro+ Compact City Stroller is designed for comfort and convenience, offering plush padding and ergonomic support. It features an adjustable, vegan leather handlebar, exceptional maneuverability, and car seat compatibility. This stroller is small and light enough to fit in most airplane overhead bins, and includes a large, UPF-50 sun canopy, near-flat recline, adjustable leg rest, spring suspension, and never-flat PU rubber tires.

SETUP

The Ergobaby Metro+ Stroller is designed for ease of use with minimal setup. It comes largely pre-assembled, requiring no complex assembly steps before first use.

Unfolding the Stroller

To unfold the stroller, release the compact fold latch and extend the frame until it locks into place. Ensure all components are securely engaged before placing a child in the stroller.

Car Seat Compatibility

The Metro+ stroller is compatible with various car seats using specific adapters (sold separately). Ensure adapters are correctly installed and the car seat is securely attached before use. Adapters must be removed for compact folding.

OPERATING THE STROLLER

Age and Weight Guidelines

The Ergobaby Metro+ Stroller is designed to grow with your child, suitable from newborn to toddler, supporting children up to 50 lbs.

- **0-12 Months:** Use with Metro+ & Car Seat Adapters (sold separately).
- **0-6 Months:** Use in Metro+ Newborn Nest Setting.
- **4-48 Months:** Use as a standard Metro+ Stroller.

Adjusting the Seat and Leg Rest

The stroller features a multi-position recline, including a near-flat recline for naps. The leg rest is also adjustable for optimal comfort as your child grows.

Adjusting the Handlebar

The handlebar is adjustable to accommodate parents of various heights, ensuring a comfortable pushing experience.

Adjustable for all-around comfort.

Harness System

The stroller is equipped with a 5-point harness system to securely fasten your child. Ensure the harness is properly adjusted and buckled before each use.

Folding the Stroller

The Metro+ stroller folds down easily into a compact size, making it convenient for storage and travel, including fitting into most airplane overhead bins.

MAINTENANCE

Cleaning Instructions

The stroller's soft ergonomic padding is machine washable for easy cleaning. Refer to the care label for specific washing instructions.

Tire Care

The stroller features never-flat PU rubber tires, requiring minimal maintenance. Periodically check tires for debris and ensure smooth rotation.

Storage

When not in use, store the stroller in a dry place away from direct sunlight to preserve its materials and functionality.

TROUBLESHOOTING

- **Stroller not unfolding/folding smoothly:** Ensure all locks and latches are disengaged. Check for any obstructions in the folding mechanism.
- **Wheels not turning freely:** Inspect wheels for tangled hair, lint, or debris. Clean as necessary.
- **Harness difficult to adjust:** Ensure straps are not twisted. Refer to the operating section for proper adjustment techniques.
- **Stroller feels unstable:** Verify that the stroller frame is fully locked into place after unfolding. Do not exceed the maximum

weight recommendation.
