3. Separate the Title Deed cards by color group (corresponding to monster types/locations) and place them next to the board.
4. Each player chooses one of the 6 custom sculpted pewter tokens to represent their character.
5. The Banker (one designated player) distributes the starting money to each player as follows:
    - 2 x 500-value notes
    - 4 x 100-value notes
    - 1 x 50-value note

8. 2-6 Players | Ages 8+ | 60+ Min Play Time. Featuring 6 custom sculpted tokens - Halfling Rogue, Human Fighter, Human Wizard, Dwarven Cleric, Elven Ranger, and Tiefling Bard. Buy, sell, and trade your way to victory through collecting monsters - including Tarrasque, Demogorgon, Lich, Death Knight, and many more - and be the last one standing in your party. Set forth on your quest in this collectible edition of Monopoly featuring Dungeons & Dragons featuring iconic images, characters, and locations from the Dungeons & Dragons universe.
9. Each player rolls both dice. The player with the highest total goes first. Play proceeds clockwise.

4. Operating (Gameplay)

On your turn, roll both dice and move your token clockwise around the board the corresponding number of spaces. Follow the instructions of the space you land on:

- **Monster/Location Spaces:** If unowned, you may buy it for the price listed. If you decline, the Banker auctions it to the highest bidder. If owned, pay the owner rent as indicated on the Title Deed card. Rent increases with Expeditions and Bases built on the property.
- **Treasure/Encounters Spaces:** Draw the top card from the respective deck and follow its instructions. Return the card to the bottom of the deck unless otherwise specified.
- **Go Space:** Pass or land on "GO" to collect 200-value notes from the Banker.
- **Just Visiting/Jail:** Landing on "Just Visiting" means you are simply visiting. If you land on "Go to Jail," move your token directly to the Jail space.
- **Free Parking:** No effect.
- **Taxes:** Pay the specified tax amount to the Banker.

Building Expeditions and Bases:

Once you own all the properties in a color group, you can start building Expeditions and Bases on them. You must build evenly across the properties in a group. Four Expeditions can be upgraded to one Base.

Mortgaging Properties:

If you need money, you can mortgage properties to the Banker. Mortgaged properties do not collect rent. To unmortgage, pay the mortgage value plus 10% interest.

Trading:

Players can trade properties, money, Expeditions, and Bases with each other at any time.

Bankruptcy:

If you owe more money than you can pay, even after selling all your buildings and mortgaging all your properties, you are bankrupt and out of the game. Your remaining assets are turned over to the player you owe or the Banker.

5. Maintenance (Care & Storage)

- **Cleaning:** Wipe the game board and plastic components with a dry, soft cloth. Avoid using abrasive cleaners or liquids.
- **Storage:** Store all game components neatly in the original game box. Keep the box in a cool, dry place away from direct sunlight and extreme temperatures to prevent warping or damage to the board and cards.
- **Handling:** Handle cards and money with clean, dry hands to preserve their condition.

6. Troubleshooting

- **Missing Components:** If any components are missing upon opening the box, please contact USAOPOLY customer support with your proof of purchase and product details.
