

AIKELA S12

AIKELA Bluetooth 5.1 Wireless Earbuds User Manual

Model: S12

1. PRODUCT OVERVIEW

The AIKELA S12 Wireless Earbuds are designed to provide a high-fidelity audio experience with the convenience of Bluetooth 5.1 connectivity. They feature an ergonomic design for comfortable wear, intuitive touch controls, and are built to be waterproof and sweatproof, making them suitable for various activities.

2. PACKAGE CONTENTS

Upon opening the package, please ensure all the following items are present:

- AIKELA S12 Wireless Earbuds (Left and Right)

- Portable Charging Case
- USB-C Charging Cable
- User Manual

3. SETUP AND INITIAL USE

3.1 Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and to a USB power source. The indicator light on the case will show charging status.

Image: Illustration showing the AIKELA S12 earbuds in their charging case, highlighting 15 hours of play/talk time and 1.5 hours for quick charge.

3.2 Removing Protective Film

Important: For the first use, please remove the insulating film located at the end of each earbud's charging contacts. This film prevents charging and connection before initial setup.

3.3 Pairing with Your Device

The AIKELA S12 earbuds feature one-step pairing for quick and easy connection.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "S12" from the list.
4. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or indicator light change).

After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case.

One Step Pairing

Automatic connection when remove from the case
Automatic charge when put it back

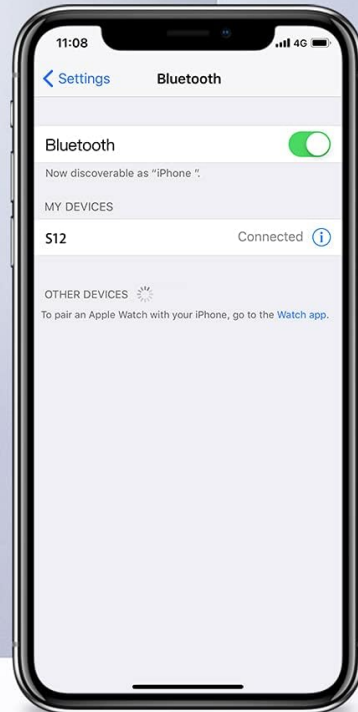

Image: An illustration demonstrating the one-step pairing process, showing the earbuds being taken out of the case and a smartphone screen with 'S12' listed as a connected Bluetooth device.

4. OPERATING THE EARBUDS

4.1 Wearing the Earbuds

The AIKELA S12 earbuds feature a semi-in-ear ergonomic design for comfortable and secure fit. Gently insert each earbud into your ear canal and adjust for optimal comfort and sound quality. They are designed to stay securely in place during various activities, including sports.

4.2 Touch Controls

The earbuds are equipped with smart touch controls on the outer surface of each earbud. The functions are as follows:

Action	Control
Play/Pause	R/L click touch area (single tap)
Previous Song	L click x 2 (double tap left earbud)
Next Song	R click x 2 (double tap right earbud)
Answer/Hang Up Call	R/L click touch area (single tap during call)
Reject Incoming Call	Long press on touch area
Lower Volume	Long press on L (left earbud)

Action	Control
Raise Volume	Long press on R (right earbud)
Activate Voice Assistant	R/L click x 3 (triple tap)

4.3 Audio Features

The AIKELA S12 earbuds deliver Hi-Fi stereo sound with deep bass and clear treble, providing an authentic audio experience. They are designed to effectively suppress noise, allowing for immersive listening even in noisy environments.

Immersive Audio

Effectively suppress noise outside music
You can completely immerse yourself in the music

5. MAINTENANCE AND CARE

5.1 Cleaning

Regularly clean the earbuds and charging case to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth. For earwax or debris in the earbud tips, use a small, soft brush or cotton swab. Do not use abrasive materials or harsh chemicals.

5.2 Water Resistance

The AIKELA S12 earbuds are rated IPX7 waterproof and sweatproof. This means they can withstand splashes, rain, and sweat, making them ideal for workouts and outdoor activities. However, they are not designed for swimming or prolonged submersion in water. Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

5.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust, dirt, and physical damage. Store the case in a cool, dry place, away from extreme temperatures.

Image: An exploded view of an earbud, highlighting its internal components and the Bluetooth 5.1 technology, indicating robust construction.

6. TROUBLESHOOTING

If you encounter any issues with your AIKELA S12 earbuds, please refer to the following common solutions:

6.1 Earbuds Not Pairing

- Ensure the earbuds are charged.
- Make sure the protective film has been removed from the charging contacts.

- Turn off and on your device's Bluetooth.
- Place the earbuds back into the charging case, close the lid, wait a few seconds, then open it again to re-enter pairing mode.
- If previously paired, try forgetting "S12" from your device's Bluetooth settings and re-pairing.

6.2 No Sound or Low Volume

- Check the volume level on both your device and the earbuds (using touch controls).
- Ensure the earbuds are properly seated in your ears.
- Verify that the earbuds are connected to your device.
- Clean any debris from the earbud speakers.

6.3 Charging Issues

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try using a different USB-C cable or power adapter.

If the issue persists after trying these steps, please contact customer support.
