ZINUS FPWHRL-12K

ZINUS Allen Mid Century Wood Platform Bed Frame User Manual

Model: FPWHRL-12K
Brand: ZINUS

1. Introduction

The ZINUS Allen Mid Century Wood Platform Bed Frame offers a classic design with robust solid wood construction, providing a stable and stylish foundation for your mattress. This manual provides essential information for assembly, care, and optimal use of your new bed frame. Designed for durability and ease of use, this bed frame eliminates the need for a box spring, offering direct support for various mattress types.

2. Product Features

- **Classic Elegance:** Features a beautiful mid-century design with rounded legs and a solid wood finish, adding a timeless style to any bedroom decor.
- **Durably Crafted:** Constructed with a solid wooden framework from headboard to legs, ensuring long-lasting, squeak-free use. The twin size supports a maximum weight of 350 lbs, while all other sizes (Full, Queen, King) can support up to 700 lbs.
- **No Box Spring Needed:** Sturdy wooden slats provide direct support, extending the life of your latex, memory foam, or spring mattress without the need for an additional box spring.
- **Easy Assembly:** All necessary tools, parts, and step-by-step instructions are conveniently packed into one box for simple and quick assembly.

3. Setup and Assembly

The ZINUS Allen bed frame is designed for straightforward assembly. Please ensure all parts are present before beginning. Refer to the official Installation Manual (PDF) for detailed diagrams and step-by-step instructions.

3.1 Key Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify against the parts list in the manual.
2. **Assemble Frame:** Connect the headboard, footboard, and side rails using the provided hardware. Ensure all connections are secure.
3. **Install Center Support:** Attach the central support rail and its legs to the frame. This rail is often felted to reduce noise.
4. **Place Slats:** Lay the wooden slats across the frame. Many ZINUS slats include adhesive strips to prevent mattress shifting.
