

Spirit Of Gamer PRO-MK5

Spirit Of Gamer PRO-MK5 3-in-1 Gaming Pack User Manual

Model: PRO-MK5 (CLS-PMK5)

INTRODUCTION

This manual provides essential instructions for the setup, operation, maintenance, and troubleshooting of your Spirit Of Gamer PRO-MK5 3-in-1 Gaming Pack. This pack includes a gaming keyboard, a gaming mouse, and a gaming mouse pad. Please read this manual carefully before using the product to ensure optimal performance and longevity.

SETUP INSTRUCTIONS

1. Connecting the Keyboard

1. Locate an available USB port on your computer.
2. Plug the USB connector of the PRO-MK5 keyboard into the USB port.
3. The keyboard will automatically install necessary drivers. Wait for the installation to complete.
4. The RGB backlighting will illuminate upon successful connection.

2. Connecting the Mouse

1. Locate an available USB port on your computer.
2. Plug the USB connector of the PRO-MK5 mouse into the USB port.
3. The mouse will automatically install necessary drivers. Wait for the installation to complete.
4. The RGB backlighting on the mouse will illuminate upon successful connection.

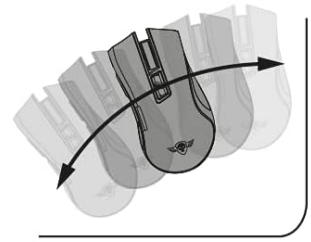

3. Positioning the Mouse Pad

- Place the Spirit Pad mouse pad on a flat, stable surface.
- Ensure the non-slip rubber base is in full contact with the surface to prevent movement during use.

OPERATING INSTRUCTIONS

Keyboard Features and Use

- **RGB LED Backlight:** The keyboard features an RGB LED backlight with a breathing mode. Specific key combinations (e.g., Fn + Scroll Lock or similar, refer to on-device markings) may control lighting effects and brightness.
- **Semi-Mechanical Keys:** The slim semi-mechanical keys provide a responsive typing and gaming experience.
- **7-Button Anti-Ghosting:** This technology ensures that up to 7 simultaneous key presses are registered accurately, preventing input loss during intense gaming sessions.
- **Durable Design:** The keyboard features a robust metal housing for enhanced durability.

Mouse Features and Use

- **6400 DPI Optical Sensor:** The mouse is equipped with an optical sensor offering a maximum resolution of 6400 DPI. DPI (Dots Per Inch) can be adjusted to suit your preference for cursor speed and precision.
- **Adjustable Resolution:** Use the dedicated DPI buttons on the mouse to cycle through different DPI settings.
- **RGB Backlight:** The mouse features adjustable RGB backlighting with 6 preset effects. These effects can typically be cycled through using a dedicated button or software (if available).
- **Ergonomic Design:** Designed with a soft-touch surface and a comfortable thumb rest for extended gaming sessions.

MAINTENANCE

To ensure the longevity and optimal performance of your PRO-MK5 Gaming Pack, follow these maintenance guidelines:

- **Cleaning the Keyboard and Mouse:** Use a soft, dry cloth to wipe down the surfaces. For stubborn dirt, a slightly damp cloth with mild soap can be used, ensuring no liquid enters the device. Avoid abrasive cleaners or solvents.
- **Cleaning the Mouse Pad:** The mouse pad can be gently wiped with a damp cloth. Allow it to air dry completely before use. Do not machine wash.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Avoid sharp bends or excessive pulling on the USB cables to prevent damage.

TROUBLESHOOTING

If you encounter issues with your PRO-MK5 Gaming Pack, refer to the following common solutions:

Problem	Possible Solution
Keyboard/Mouse not responding	<ul style="list-style-type: none"> • Ensure the USB cable is securely plugged into a working USB port on your computer. • Try plugging the device into a different USB port. • Restart your computer. • If using a USB hub, try connecting directly to the computer.
RGB lighting not working	<ul style="list-style-type: none"> • Check if the device is properly connected. • For the keyboard, try pressing the dedicated lighting control keys (e.g., Fn + Scroll Lock) to cycle through modes or turn on/off the backlight. • For the mouse, use the dedicated RGB control button (if present) to adjust effects.
Mouse cursor movement is erratic or slow	<ul style="list-style-type: none"> • Clean the optical sensor on the bottom of the mouse with a soft, dry cloth. • Ensure the mouse pad surface is clean and free of debris. • Adjust the DPI settings using the DPI buttons on the mouse.
Keys are not registering or are 'ghosting'	<ul style="list-style-type: none"> • The keyboard features 7-button anti-ghosting. If more than 7 keys are pressed simultaneously, some inputs may not register. • Ensure no debris is lodged under the keys. • Try connecting the keyboard to another computer to rule out software issues.
