CeraVe MB418800

CeraVe Hydrating Foaming Oil Cleanser User Manual

Brand: CeraVe
Model: MB418800

1. PRODUCT OVERVIEW

The CeraVe Hydrating Foaming Oil Cleanser is a gentle yet effective cleansing solution designed for normal to very dry skin. This innovative foaming oil helps to dissolve and remove dirt, impurities, and excess sebum from the skin's surface while simultaneously providing essential hydration and soothing benefits. It is suitable for use on both the face and body, and is gentle enough for babies from 1 month old, children, and adults.

2. KEY FEATURES AND BENEFITS

- **Hydrating Formula:** Enriched with 3 essential ceramides (1, 3, and 6-II) to help restore and maintain the skin's natural barrier.
- **Nourishing Oils:** Contains triglycerides and plant-derived squalane oil to replenish the skin's moisture.
- **Gentle Cleansing:** Transforms from an oil to a delicate foam, effectively cleansing without stripping the skin of its natural moisture.
- **Fragrance-Free:** Ideal for sensitive skin, minimizing the risk of irritation.
- **Non-Comedogenic:** Formulated not to clog pores.
- **Dermatologist Developed:** Developed with dermatologists to ensure efficacy and safety for various skin types.

- **Multi-purpose:** Suitable for normal to very dry skin, including sensitive and atopic-prone skin. Can be used on face and body.

3. OPERATING INSTRUCTIONS

For optimal results, follow these steps:

1. **Wet Skin:** Begin by wetting your skin with lukewarm water.
2. **Dispense Product:** Pump a small amount of CeraVe Hydrating Foaming Oil Cleanser into your hands. The liquid will transform into a light foam upon contact with water.
3. **Apply and Massage:** Gently massage the foaming oil onto your face and/or body in circular motions. Ensure even coverage.
4. **Rinse Thoroughly:** Rinse your skin completely with lukewarm water until all product residue is removed.
5. **Pat Dry:** Gently pat your skin dry with a clean towel. Avoid harsh rubbing.

This cleanser can be used daily, both morning and evening, as part of your skincare routine. For best

results, follow with a CeraVe moisturizer.

4. INGREDIENTS AND COMPOSITION

The CeraVe Hydrating Foaming Oil Cleanser is formulated with a blend of hydrating and skin-restoring ingredients. Key components include:

- **Aqua/Water:** The primary solvent.
- **Glycerin:** A humectant that attracts moisture to the skin.
- **PEG-200 Hydrogenated Glyceryl Palmate:** An emulsifier and skin conditioning agent.
- **Coco-Betaine:** A gentle surfactant derived from coconut oil.
- **Disodium Cocoyl Glutamate:** An amino acid-based surfactant.
- **Squalane:** A plant-derived lipid that helps to moisturize and soften the skin.
- **Ceramide NP, Ceramide AP, Ceramide EOP:** Essential ceramides that help restore and maintain the skin's natural barrier.
- **Sodium Hyaluronate:** A form of hyaluronic acid, known for its hydrating properties.
- **Cholesterol:** A lipid that supports skin barrier function.
- **Triglyceride:** Provides emollient and skin-conditioning benefits.

For a complete list of ingredients, please refer to the product packaging.

INGREDIENTES

2021602 23 - INGREDIENTS: AQUA/WATER, GLYCERIN, PEG-200 HYDROGENATED GLYCERYL PALMATE, COCO-BETAINÉ, DISODIUM COCOYL GLUTAMATE, PEG-120 METHYL GLUCOSE DIOLEATE, POLYSORBATE 20, PEG-7 GLYCERYL COCOATE, PEG-150 PENTAERYTHRITYL TETRASTEARATE, PPG-5-CETETH-20, PEG-6 CAPRYLIC/CAPRIC GLYCERIDES, SQUALANE, CERAMIDE NP, CERAMIDE AP, CERAMIDE EOP, CARBOMER, TRIETHYL CITRATE, SODIUM CHLORIDE, SODIUM HYDROXIDE, SODIUM COCOYL GLUTAMATE, SODIUM LAUROYL LACTYLATE, SODIUM HYALURONATE, CHOLESTEROL, CITRIC ACID, CAPRYLOYL GLYCINE, HYDROXYACETOPHENONE, CAPRYLYL GLYCOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, TRISODIUM ETHYLENEDIAMINE DISUCCINATE, PHYTOSPHINGOSINE, XANTHAN GUM, BENZOIC ACID.
(Code F.I.L. C273796/1)

5. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **External Use Only:** This product is intended for external use on the skin only. Do not ingest.
- **Avoid Eye Contact:** In case of contact with eyes, rinse immediately and thoroughly with water.
- **Keep Out of Reach of Children:** Store the product in a location inaccessible to young children.
- **Discontinue Use if Irritation Occurs:** If skin irritation or rash develops, discontinue use and consult a healthcare professional.
- **Storage:** Store in a cool, dry place away from direct sunlight and extreme temperatures.

6. CARE AND MAINTENANCE

To ensure the longevity and effectiveness of your CeraVe Hydrating Foaming Oil Cleanser:

- Always replace the pump cap securely after each use to prevent contamination and product degradation.
- Store the bottle upright to prevent leakage.
- Do not dilute the product with water or any other substances.
- Clean the pump dispenser periodically if residue builds up, using a damp cloth.

7. SPECIFICATIONS

Attribute	Detail
Product Name	CeraVe Hydrating Foaming Oil Cleanser
Model Number	MB418800
ASIN	B0967LDZ7R
UPC	3337875773447
