Ikea FÖRNUFTIG

Ikea FÖRNUFTIG Air Purifier User Manual

Model: FÖRNUFTIG

INTRODUCTION

The Ikea FÖRNUFTIG Air Purifier is designed to improve indoor air quality by filtering out various airborne particles and pollutants. This manual provides essential information for the safe and efficient use, installation, and maintenance of your air purifier.

SAFETY INFORMATION

- Read all instructions carefully before using the appliance.
- Do not operate the air purifier with a damaged cord or plug.
- Keep the appliance away from water and moisture.
- Ensure proper ventilation around the unit; do not block air inlets or outlets.
- This appliance is for indoor use only.
- Unplug the air purifier before cleaning or performing any maintenance.

PACKAGE CONTENTS

Verify that all components are present in the package:

- FÖRNUFTIG Air Purifier unit
- Particle filter (pre-installed or separate)
- Floor stand
- Power cord
- Handle (removable)

SETUP

The FÖRNUFTIG air purifier offers flexible placement options: on the floor with the included stand or mounted on a wall.

Floor Placement

1. Attach the floor stand to the bottom of the air purifier unit.
2. Place the air purifier on a flat, stable surface.
3. Ensure there is adequate space around the unit for air circulation.

Wall Mounting

1. Remove the handle if it is attached.
2. Identify a suitable wall location, ensuring access to a power outlet.
3. Use appropriate wall fasteners (not included) to securely mount the air purifier. The unit can be mounted vertically or horizontally.

Image: The FÖRNUFTIG Air Purifier mounted horizontally on a wall above a desk, showcasing a wall-mounted setup.

Filter Installation

The air purifier comes with a particle filter. A gas filter can be purchased separately and used in conjunction with the particle filter.

1. Open the back cover of the air purifier.
2. Insert the particle filter into the designated slot.
3. If using a gas filter, insert it after the particle filter.
4. Close the back cover securely.

OPERATING INSTRUCTIONS

The FÖRNUFTIG Air Purifier is controlled via a single rotary knob.

1. **Power On/Off:** Rotate the knob clockwise from the 'O' (off) position to turn the unit on. Continue rotating to select a fan speed. Rotate counter-clockwise back to 'O' to turn off.
2. **Fan Speed Adjustment:** The knob allows selection of three fan speeds (I, II, III). Speed I is the lowest, and Speed III is the highest. Choose the appropriate speed based on your air purification

needs and desired noise level.

Portability

The integrated handle allows for easy transportation of the air purifier between rooms. When wall-mounted, the handle can be removed.

MAINTENANCE

Filter Replacement

Filters should be replaced regularly to maintain optimal performance. The frequency depends on usage and air quality. A filter indicator light on the control panel will illuminate when it's time to check or replace the filter.

1. Unplug the air purifier from the power outlet.
2. Open the back cover of the unit.
3. Remove the old filter(s).
4. Insert new filter(s) into the correct slots.
5. Close the back cover securely.
6. Plug in the air purifier. Reset the filter indicator by pressing and holding the reset button (usually located near the control knob) for a few seconds until the light turns off.

Image: A person demonstrating the process of removing and replacing the filter in the FÖRNUFTIG Air Purifier.

Cleaning

- Wipe the exterior of the air purifier with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Do not wash the filters.
- Periodically vacuum the air inlets and outlets to remove dust accumulation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit does not turn on	No power; Power cord not properly connected	Check power outlet; Ensure power cord is securely plugged in
Reduced airflow	Clogged filter; Blocked air inlets/outlets	Replace filter; Clear any obstructions
Unusual noise	Loose filter; Foreign object inside	Ensure filter is correctly installed; Unplug and check for obstructions
Filter indicator light remains on after filter change	Filter reset not performed	Press and hold the filter reset button until the light turns off

SPECIFICATIONS

Feature	Detail
Model Number	FÖRNUFTIG
Brand	Ikea
Product Dimensions (D x W x H)	12"D x 12"W x 18"H (31x31x45 cm)
Item Weight	7.04 ounces (approx. 0.2 kg)
Control Method	Touch / Button Control (Rotary Knob)
Included Components	Air purifier, Particle filter, Floor stand
Housing Material	Polystyrene plastic, 100% polyester (front panel)
Leg Material	Steel, Powder coating
