labebe HY1930007

labebe Wooden Play Fridge Freezer Instruction Manual

Brand: labebe | **Model:** HY1930007

1. INTRODUCTION AND PRODUCT OVERVIEW

This manual provides essential information for the assembly, operation, and maintenance of your labebe Wooden Play Fridge Freezer. Designed for toddlers aged 1-3 years, this playset toy offers a realistic and engaging experience for pretend play, fostering practical skills and imaginative development.

The play fridge features a double-door cabinet-style design with a bottom drawer, providing ample storage space for play food. It includes a built-in ice dispenser and a temperature display screen for enhanced realism. All materials comply with Toys Safety Standards ASTM/CE in USA and EN71 CE in Europe, ensuring a safe play environment.

2. SETUP AND ASSEMBLY

The labebe Wooden Play Fridge Freezer requires assembly. Please follow the instructions carefully to ensure proper and safe construction. A screwdriver is required for assembly.

Assembly Steps Overview:

1. **Prepare Components:** Lay out all wooden panels, screws, dowels, hinges, and handles. Refer

to the included diagram for part identification.

2. **Assemble Base Sections:** Connect the side panels to the bottom and top panels using dowels and screws as indicated in the instructions.
3. **Attach Handles:** Secure the wooden handles to the doors and drawer using the provided screws.
4. **Install Hinges:** Attach the metal hinges to the main body and doors, ensuring they are aligned for smooth opening and closing.
5. **Integrate Ice Dispenser:** Position the ice dispenser unit within its designated slot on the door.
6. **Assemble Drawer:** Construct the bottom drawer by connecting its panels and installing the handle.
7. **Final Assembly:** Connect the assembled sections to form the complete fridge structure.
8. **Secure to Wall (Optional but Recommended):** Use the provided anti-tipping device to fix the refrigerator to a wall for enhanced stability and safety.

3. OPERATING INSTRUCTIONS

The labebe Wooden Play Fridge Freezer is designed for interactive pretend play. Here's how to use its main features:

Using the Ice Dispenser:

- **Load Ice Cubes:** Open the top door of the fridge. Place the wooden ice cubes into the designated ice maker compartment.
- **Dispense Ice:** Close the door. Place the clear cup (Upgraded Version) or the ice shovel (Original Version) under the dispenser opening. Press the lever or turn the switch (depending on version) to release the wooden ice cubes into the cup or shovel.
- **Collect Ice:** Retrieve the cup or shovel with the dispensed ice cubes.

Note: Two versions of the ice maker exist. The Original Version has a wooden ice maker that needs to be installed, while the Upgraded Version has a one-piece ice maker with a clear cup. Both versions function similarly to dispense wooden ice cubes.

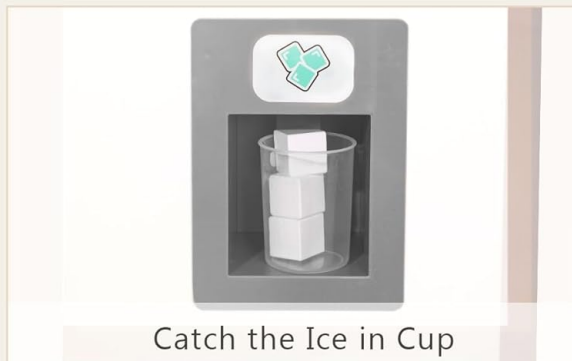

Storage and Organization:

- **Refrigerator Compartment:** Use the shelves behind the main door to store play food items.
- **Freezer Compartment:** The top section acts as a freezer compartment for additional storage.
- **Crisper Drawer:** The bottom pull-out drawer is ideal for storing smaller play items or pretend fruits and vegetables.

4. MAINTENANCE

To ensure the longevity and cleanliness of your labebe Wooden Play Fridge Freezer, regular maintenance is recommended:

- **Cleaning:** Wipe down all surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood and paint finish.
- **Drying:** Ensure all parts are thoroughly dry after cleaning to prevent moisture damage.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Tighten any loose fasteners to maintain structural integrity.
- **Storage:** When not in use, store the play fridge in a dry environment away from direct sunlight or extreme temperatures.

5. TROUBLESHOOTING

If you encounter any issues with your labebe Wooden Play Fridge Freezer, consider the following common solutions:

- **Loose Parts:** If any part feels wobbly, check and tighten all screws and connections.
- **Doors Not Closing Properly:** Ensure hinges are securely attached and aligned. Check for any obstructions preventing the doors from closing fully.
- **Ice Cubes Not Dispensing:** Verify that wooden ice cubes are correctly placed in the ice maker compartment and that the dispensing mechanism is clear of obstructions.
- **Missing Parts:** If you find any parts missing during assembly, please contact customer support immediately.

6. SPECIFICATIONS

Feature	Detail
Brand	labebe
Model Number	HY1930007
Material Type	Wood
Item Dimensions (L x W x H)	15.8 x 13.8 x 27 inches (40.1 x 35.1 x 68.6 cm)
Item Weight	30 Pounds (13.6 kg)
Color	White with natural wood accents

7. SAFETY INFORMATION

Your child's safety is paramount. Please adhere to the following safety guidelines:

- **Adult Supervision:** Always supervise children during play to prevent accidents.
- **Assembly:** Ensure the product is fully and correctly assembled by an adult before use.
- **Stability:** Utilize the provided wall-fixing device to secure the fridge and prevent tipping, especially with active toddlers.
- **Material Safety:** All materials used are non-toxic and comply with international toy safety standards (ASTM/CE in USA and EN71 CE in Europe).
- **Small Parts:** Keep small parts, such as screws and dowels, out of reach of young children during assembly to avoid choking hazards.

8. WARRANTY AND SUPPORT

labebe products are designed for durability and enjoyment. For any questions, concerns, or warranty claims, please contact labebe customer support through their official channels. Keep your purchase receipt as proof of purchase.
