The gaming mouse is ultra-lightweight, weighing only 76 grams, thanks to its special perforated honeycomb chassis design. It features an ergonomic shape for palm support and customizable RGB backlight with multiple selectable lighting schemes.

4. SETUP INSTRUCTIONS

Follow these steps to set up your Marvo MH01BK Gaming Combo:

1. **Connect the Headset:** Locate an available USB port on your computer. Insert the USB connector of the Marvo MH01BK Gaming Headset firmly into the USB port. Your operating system should automatically detect and install the necessary drivers.
2. **Connect the Mouse:** Locate another available USB port on your computer. Insert the USB connector of the Marvo MH01BK Gaming Mouse firmly into the USB port. The mouse is plug-and-play, and drivers will be installed automatically.
3. **Software Installation (Optional):** For advanced customization of RGB lighting and mouse settings, download the dedicated Marvo customization software from the official Marvo website. Follow the on-screen instructions to complete the installation.

4. **Audio Configuration:** After connecting the headset, ensure it is selected as the default audio output and input device in your computer's sound settings.

5. OPERATING INSTRUCTIONS

5.1. Headset Operation

- **Volume Control:** Adjust the volume using the inline volume control wheel on the headset cable or through your computer's operating system sound settings.
- **Microphone Usage:** Position the flexible microphone arm appropriately for clear voice capture. Ensure the microphone is enabled in your communication software settings.
- **RGB Lighting:** The headset features automatic RGB lighting. Specific controls for lighting modes may be available through the Marvo customization software, if installed.

5.2. Mouse Operation

- **Basic Functions:** The mouse operates like a standard 3-button mouse with a scroll wheel. Left-click, right-click, and scroll wheel functions are standard.
- **DPI Adjustment:** Use the dedicated DPI button (usually located behind the scroll wheel) to cycle through different sensitivity levels (DPI settings). Each press will change the DPI, often indicated by a change in the mouse's RGB lighting color.
- **RGB Backlight:** The mouse features customizable RGB backlight. Lighting schemes can be selected and configured using the advanced customization software. Refer to the software's user interface for detailed instructions on customizing lighting effects.
- **Programmable Buttons:** If the customization software is installed, you may be able to assign custom functions or macros to certain mouse buttons.

6. MAINTENANCE AND CARE

Proper care will extend the life of your Marvo MH01BK Gaming Combo:

- **Cleaning:** Use a soft, dry cloth to wipe down the surfaces of the headset and mouse. For stubborn dirt, slightly dampen the cloth with water. Do not use harsh chemicals or abrasive cleaners.
- **Avoid Liquids:** Keep the devices away from liquids and excessive moisture to prevent damage to internal components.
- **Storage:** When not in use, store the combo in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Cable Management:** Avoid sharp bends or kinks in the cables to prevent internal wire damage.
