Yaheetech 55-Inch TV Stand Instruction Manual

Model: YT-00104720TS

Brand: Yaheetech

1. INTRODUCTION

Thank you for choosing the Yaheetech 55-Inch TV Stand. This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new TV stand. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

Always assemble the TV stand according to the provided instructions. Ensure your TV is within the size and weight limits (up to 65" and 88 lbs) before placing it on the stand. Use the adjustable feet to maintain stability on uneven surfaces. Keep the stand away from heat sources and do not place heavy objects on the top shelf to prevent tipping. Always supervise children when they are near the TV stand.

- **Weight Capacity:** The tabletop supports up to 88 lbs (40 kg). Each internal shelf supports up to 22 lbs (10 kg). Do not exceed these limits.
- **Stability:** Ensure all connections are securely tightened. Use the adjustable footpads to level the stand on uneven floors.
- **Placement:** Position the TV stand on a flat, stable surface. Avoid placing it in high-traffic areas where it could be easily bumped.
- **Children's Safety:** Do not allow children to climb on the TV stand. Secure the TV to the stand or wall if possible to prevent tipping.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed in the packing list are present and undamaged. If any parts are missing or damaged, please contact customer support.

A detailed list of parts and hardware is typically included in the separate Installation Manual PDF. Please refer to it for specific component identification.

Note: The Installation Manual (PDF) can be found [here](#).

4. ASSEMBLY INSTRUCTIONS

For detailed, step-by-step assembly instructions, please refer to the official Installation Manual PDF provided by Yaheetech. A summary of key steps and important considerations is provided below.

General Assembly Steps:

- 1. Unpack all components and verify against the parts list.
- 2. Identify all wooden panels and metal frames.
- 3. Attach the X-shaped side structures to the main frame using the provided hardware.
- 4. Install the central shelves, ensuring proper alignment.
- 5. Secure all connections firmly, but do not overtighten until the unit is fully assembled.
- 6. Attach the adjustable footpads to the bottom of the stand.

5. OPERATION

Once assembled, the Yaheetech TV Stand is ready for use. It is designed to accommodate TVs up to 65 inches and weighing up to 88 lbs. The stand features a 2-tier central shelf and two side storage spaces for various media devices and decorative items.

- **Placing Your TV:** Carefully place your television on the top surface of the stand. Ensure the TV's base is fully supported and centered.
- **Storage:** Utilize the open compartments for media players, game consoles, remote controls, books, or other items. The open design allows for good airflow around electronic devices.
- **Cable Management:** The stand includes cable management cutouts on the back panel of the central shelves to help organize and conceal wires.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your TV stand.

- **Cleaning:** Wipe with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.

- **Spills:** Immediately wipe up any spills with a soft, dry cloth to prevent moisture damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

7. TROUBLESHOOTING

If you encounter any issues with your Yaheetech TV stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Uneven floor; loose connections.	Adjust the height of the footpads until the stand is level. Ensure all screws are tightened.
Parts are missing or damaged.	Shipping damage; packaging error.	Do not proceed with assembly. Contact Yaheetech customer support for replacement parts.
Difficulty during assembly.	Incorrect part orientation; misinterpretation of instructions.	Review the Installation Manual PDF carefully. Ensure parts are oriented correctly before tightening. Do not force parts together.
Top shelf appears to bow.	Exceeded weight capacity.	Remove excess weight. Ensure the TV and other items do not exceed the 88 lb tabletop limit.

8. SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Number	YT-00104720TS
Product Dimensions (L x W x H)	55 x 16 x 24.5 inches
Item Weight	51.5 pounds
Material	Engineered Wood, Iron
Color	Grey
Maximum TV Size Supported	Up to 65 inches
Tabletop Weight Capacity	88 lbs (40 kg)
Each Shelf Weight Capacity	22 lbs (10 kg)
