AMKE TC843-G

AMKE Baby Bassinet Bedside Sleeper

Model: TC843-G Instruction Manual

Important Safety Information

Please read and understand all instructions before assembly and use of the AMKE Baby Bassinet Bedside Sleeper. Keep this manual for future reference. Failure to follow these warnings and instructions could result in serious injury or death.

- **Suffocation Hazard:** Infants can suffocate in gaps between an extra mattress and the side of the bassinet, or on soft bedding. Use only the mattress provided by the manufacturer. NEVER add a pillow, comforter, or another mattress for padding.
- **Fall Hazard:** To prevent falls, do not use this product once your infant begins to push up on hands and knees, or has reached 20 pounds (9 kg), or is 5 months old, whichever comes first.
- **Strangulation Hazard:** Keep cords and straps away from the child. Never place the bassinet near a window where cords from blinds or drapes could strangle a child.
- Always ensure the bassinet is placed on a firm, horizontal level floor.
- Regularly check all fasteners and connections to ensure they are secure.

Setup and Assembly

The AMKE Baby Bassinet is designed for quick and easy assembly. Follow these steps to set up your bassinet.

Image: Quick installation steps for the AMKE Baby Bassinet. Shows the bassinet in a carry bag, folded, unfolding a leg, and fully assembled.

1. **Unpack:** Remove the bassinet from its carrying bag.
2. **Unfold Frame:** Lay the folded bassinet frame on a flat surface.
3. **Extend Legs:** Extend the support legs outwards until they lock into place. Ensure all locking mechanisms are engaged.
4. **Secure Base:** Ensure the base is fully extended and stable.
5. **Insert Mattress:** Place the provided mattress securely into the bassinet.

Operating Instructions

Height Adjustments

The bassinet offers multiple height adjustments to align with various bed heights, ensuring safe co-sleeping. To adjust the height:

1. Locate the height adjustable buttons on each side of the bassinet frame.
2. Press the buttons simultaneously and slide the bassinet up or down to the desired height setting.
3. Ensure both sides are adjusted to the same level and lock securely into place.

Bedside Sleeper Function

To use the bassinet as a bedside sleeper, allowing your baby to be close while maintaining a separate sleep space:

1. Adjust the bassinet height to match your bed's mattress level.
2. Unzip and lower one side of the bassinet.

3. Position the bassinet securely against your bed, ensuring there are no gaps between the bassinet and your mattress.
4. Use the provided straps to attach the bassinet frame to your bed frame for added security.

Incline Function

The bassinet features an independent 6-speed incline adjustment on both sides, which can be useful for infants with reflux or congestion. To adjust the incline:

1. Locate the incline adjustment mechanism on the bassinet frame.
2. Adjust each side independently to achieve a gentle tilt, up to 5 degrees, as needed.
3. Ensure the incline is stable and does not exceed the recommended angle for infant safety.

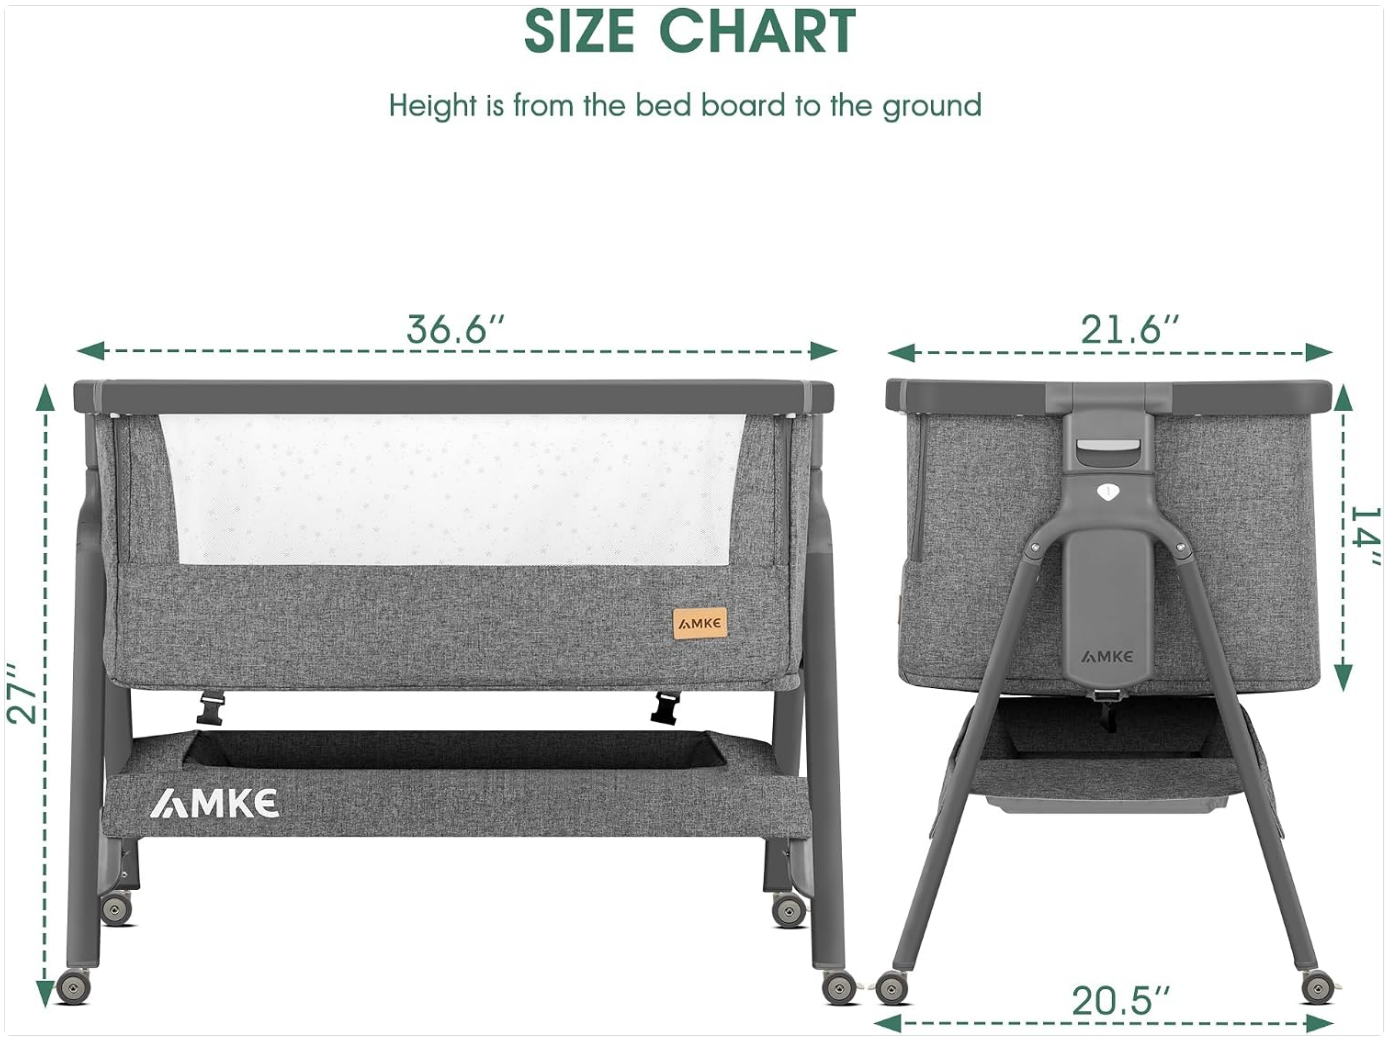

Image: A woman feeding a baby in the AMKE bassinet, demonstrating the incline function set at approximately 5 degrees.

Storage Basket

The bassinet includes a convenient storage basket underneath for baby essentials.

- Use the two layers of storage space to keep diapers, wipes, toys, and other items within easy reach.
- Do not overload the storage basket to maintain stability.

Maintenance and Cleaning

Regular maintenance ensures the longevity and hygiene of your bassinet.

Removable Inner Cover

The bassinet features a double-layer removable inner cover for easy cleaning.

1. Unzip the inner cover from the bassinet frame.
2. Machine wash the cover on a gentle cycle with mild detergent.
3. Air dry or tumble dry on low heat. Do not bleach or iron.
4. Reattach the clean cover to the bassinet frame, ensuring all zippers are securely fastened.

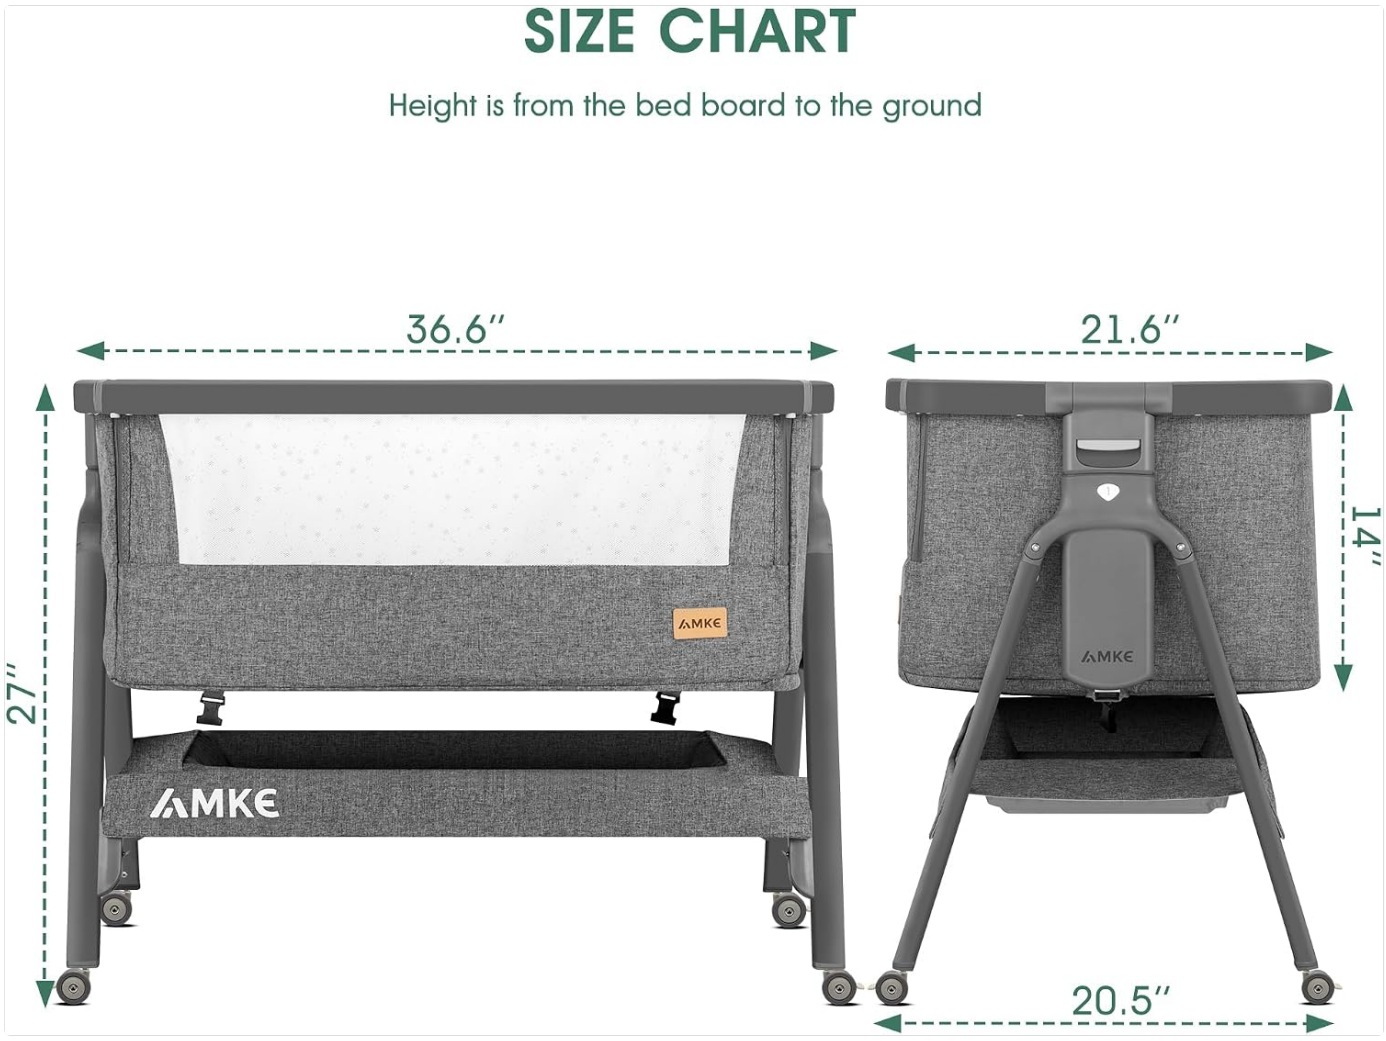

Image: A hand demonstrating the removal of the inner cover by unzipping it from the bassinet frame, highlighting the double-layer design for cleaning.

Mattress Care

The mattress is not machine washable. To clean the mattress:

- Spot clean with a damp cloth and mild soap.
- Allow to air dry completely before placing back into the bassinet.
- Always use a fitted sheet designed for bassinet mattresses.

Frame Cleaning

- Wipe the aluminum frame with a damp cloth and mild soap.
- Do not use abrasive cleaners or solvents.

Troubleshooting

If you encounter any issues with your AMKE Baby Bassinet, refer to the following common solutions:

- **Bassinet feels wobbly:** Ensure all legs are fully extended and locked into place. Check that the mattress is properly seated and the frame is symmetrical.
- **Difficulty adjusting height:** Make sure both height adjustment buttons are pressed simultaneously and the mechanism is free of obstructions.
- **Side does not lower smoothly:** Check for any fabric or debris obstructing the zipper or lowering mechanism. Ensure the bassinet is not under tension from being improperly positioned against a bed.

- **Casters not installing (if applicable):** Some models may have different foot designs. If your bassinet has flat rubber feet, it may not be compatible with casters. Contact customer support for specific model compatibility.

If the problem persists, please contact AMKE customer support for further assistance.

Specifications

Feature	Detail
Brand	AMKE
Model Number	TC843-G
Product Dimensions (L x W x H)	37"L x 27"W x 22"H
Item Weight	24.3 Pounds
Maximum Weight Recommendation	20 Pounds
