# One Fire Cordless Desk Lamp User Manual

Model: 6930007701263

## INTRODUCTION

Thank you for choosing the One Fire Cordless Desk Lamp. This portable and versatile LED lamp is designed to provide adjustable illumination for various settings, including reading, crafting, and office work. Its rechargeable battery and foldable design ensure convenience and flexibility. Please read this manual thoroughly to ensure proper use and maintenance of your device.

## PACKAGE CONTENTS

- One Fire Cordless Foldable Desk Lamp (with built-in rechargeable battery)
- Power Cable (USB-A to USB-C)
- User Manual

Long Touch to Choose Whatever Brightness

Image: A visual representation of the One Fire Cordless Desk Lamp's dimensions (12.79 inches tall when extended, 4.72 inches base diameter) and its compact, foldable nature, demonstrating how it can be easily stored in a handbag or backpack.

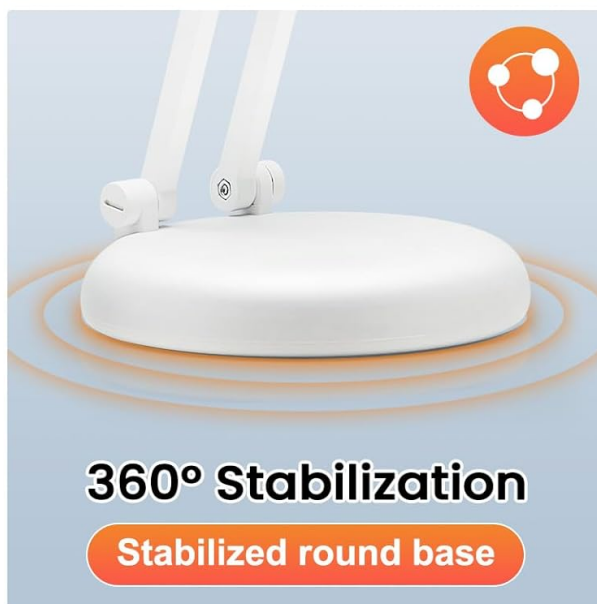

Image: A collage illustrating the main features of the lamp: a 3600mAh built-in battery for extended use, intuitive touch control for operation, a stable round base for 360-degree stability, and its foldable design for portability.

## SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Initial Charge:** Before first use, fully charge the lamp using the provided USB-C cable. Connect the USB-C end to the lamp's charging port and the USB-A end to a compatible USB power adapter (not included) or computer port. The charging indicator light will show charging status.
3. **Unfold:** Gently unfold the lamp from its compact state. The multi-jointed arm allows for various angles and heights.

## OPERATING INSTRUCTIONS

- **Power On/Off:** Lightly tap the touch-sensitive power button located on the base of the lamp to turn it on or off.
- **Brightness Adjustment:** While the lamp is on, press and hold the touch-sensitive power button. The brightness will gradually cycle through its 9 adjustable levels. Release the button when your desired brightness is reached.

- **Light Memory Function:** The lamp will remember your last brightness setting when turned off and will resume that setting when turned back on.
- **Adjusting Angle:** The lamp's arm and head are multi-adjustable. Carefully pivot the joints to direct the light as needed.

Image: A person reading under the One Fire Cordless Desk Lamp, highlighting its eye-caring, flicker-free LED light. Below, a graphic shows the lamp at various brightness levels (20%, 40%, 60%, 80%, 100%), indicating that a long touch on the base adjusts the brightness.

## CHARGING

- The lamp is equipped with a 3600mAh built-in lithium-ion battery.
- To charge, connect the provided USB-C cable to the charging port on the lamp's base and to a USB power source.
- A red indicator light typically signifies charging, and it may turn green or off when fully charged (refer to specific product behavior).

- A full charge can provide approximately 6 hours of use at high brightness or up to 75-76 hours at low brightness.

## MAINTENANCE

- **Cleaning:** Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, fold the lamp into its compact form and store it in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the lamp regularly, even if not in constant use.

## TROUBLESHOOTING

- **Lamp not turning on:** Ensure the battery is charged. Connect the lamp to a power source and try again.
- **Brightness not adjusting:** Make sure you are pressing and holding the touch-sensitive button, not just tapping it.
- **Charging indicator not working:** Check the USB cable and power source connections. Try a different cable or power adapter if available.
- **Unstable base:** Ensure the lamp is placed on a flat, stable surface. The base is designed for 360-degree stability.
