HOMCOM 836-378

HOMCOM L-Shaped Home Office Computer Desk

Model: 836-378

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOMCOM L-Shaped Home Office Computer Desk, Model 836-378. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This desk is designed to provide a functional workspace with integrated storage.

Safety Information

- **Assembly:** It is recommended that two people assemble this desk to ensure safety and ease of construction.
- **Weight Capacity:** Do not exceed the maximum weight limits: Desktop: 88 lbs (40 kg), Drawers: 11 lbs (5 kg) each, Shelves: 18 lbs (8 kg) each. Exceeding these limits may cause structural failure and injury.
- **Stability:** Ensure all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the desk on a level, stable surface. Avoid placing it in areas with excessive moisture or direct sunlight.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

Package Contents

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer support.

- Desktop Panels (L-shaped sections)
- Steel Frame Components

- Drawer Boxes and Front Panels
- Drawer Sliding Rails
- Storage Shelf Panels
- Assembly Hardware (screws, bolts, connectors, etc.)
- Instruction Manual

Setup and Assembly

Follow the step-by-step instructions provided in the included manual for proper assembly. Ensure you have adequate space and the necessary tools (not included) before starting. Two people are recommended for assembly.

Figure 1: Assembled HOMCOM L-Shaped Computer Desk.

The L-shaped design is reversible, allowing you to configure the storage unit on either the left or right side to best suit your space. Pay close attention to the orientation of parts during assembly, especially for the drawer sections and L-shape connection points.

Figure 2: L-Shape Design for efficient space utilization.

Ensure all screws and connections are tightened firmly but do not overtighten to avoid damaging the materials. The desk features an industrial style with a black steel frame and brown wood grain MDF board panels.

Figure 3: Detail of a secure frame connection.

Operating Instructions

This desk provides ample workspace and integrated storage. Utilize the large tabletop for your computer, monitor, and other office essentials.

Figure 4: Typical desk setup with computer and accessories.

The two utility drawers are equipped with smooth sliding rails for easy access to your stored items. The open shelves provide additional space for books, decorative items, or office supplies.

Maintenance

To maintain the appearance and longevity of your desk, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.

Troubleshooting

- **Assembly Difficulties:** If parts do not align or screws do not fit, re-check the instruction manual to ensure all components are oriented correctly. Some holes may require slight adjustment during assembly. Do not force parts together.
- **Desk Wobbles:** Ensure the desk is placed on a level surface. Check that all assembly fasteners are securely tightened. If the issue persists, disassemble and reassemble, paying close attention to each connection.

- **Drawers Stick:** Verify that the drawer sliding rails are installed correctly and are free of obstructions. Ensure the drawer box is assembled squarely.

Specifications

Brand	HOMCOM
Model Number	836-378
Overall Dimensions	59" L x 35.5" W x 29.5" H (150 cm L x 90 cm W x 75 cm H)
