ENJBRICK 1006

ENJBRICK Garden Hotel Modular Building Kit Instruction Manual

Model: 1006

1. Introduction

Thank you for choosing the ENJBRICK Garden Hotel Modular Building Kit. This kit provides a detailed and engaging building experience, resulting in a charming architectural model suitable for display. This manual will guide you through the assembly process and provide essential information about your new building set.

2. Safety Information

- **Small Parts Warning:** This building kit contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Recommended Age:** This product is recommended for ages 12 and up. Adult supervision is advised for younger builders.
- Keep all packaging materials away from children.

3. Package Contents

Your ENJBRICK Garden Hotel Building Kit includes:

- 1284 easy-installation building pieces.
- Detailed step-by-step instruction manual.

4. Assembly Instructions

Follow the detailed, full-color instruction booklet provided with your kit. The assembly is designed to be a clear, step-by-step process, making it enjoyable for both individual builders and group activities.

4.1. Modular Construction

The Garden Hotel is constructed in modular sections, typically corresponding to different floors or distinct parts of the building. This approach simplifies the building process and allows for focused assembly of each section before combining them.

5. Product Features and Details

The ENJBRICK Garden Hotel is designed with intricate details, offering a realistic and immersive building experience. The completed model features multiple levels, each with unique architectural elements and interior furnishings.

5.1. Exterior Design

The exterior boasts a charming facade with decorative windows, flower boxes, and a striped awning over the outdoor seating area. A street lamp adds to the urban aesthetic.

5.2. Interior Layout

Each floor of the hotel is accessible and features distinct interior spaces:

- **Ground Floor:** Includes a welcoming lobby and a cafe area with tables, chairs, and a service counter.
- **First Floor:** Features additional seating, a bar area with bottles and glasses, and a staircase leading to the upper level.
- **Second Floor:** Contains a hotel room with a bed, nightstand, and a small seating area, along with an outdoor balcony.

8. Care and Maintenance

- **Cleaning:** To clean your assembled model, gently dust with a soft brush or cloth. For stubborn dirt, wipe with a slightly damp cloth and dry immediately. Avoid harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic pieces.

9. Troubleshooting

- **Missing Pieces:** In the rare event of missing pieces, please contact ENJBRICK customer support with your purchase details and the specific part numbers required.
- **Loose Connections:** Ensure all building blocks are firmly pressed together during assembly. If a section feels unstable, re-examine the instructions for that step to confirm correct placement.

10. Warranty and Support

ENJBRICK products are designed for quality and enjoyment. For specific warranty information, please refer to the documentation included with your purchase or visit the official ENJBRICK website. For any support needs, questions, or concerns, please contact our customer service team:

- **Email:** support@enjbrick.com
- **Website:** ENJBRICK Official Store
