## vidaXL Garden Pallet Pouf Footrest Instruction Manual

Model: 3066447

### PRODUCT OVERVIEW

This wooden pallet pouf is designed for relaxation and outdoor enjoyment. Its timeless pallet design adds a rustic charm to your patio, garden, or living area. It can function as a footrest or a low table. Constructed from impregnated pine wood, this pouf is durable, weather-resistant, and environmentally friendly. The included cushion provides comfort. This wooden pouf is specifically designed to be part of a lounge set and can be combined with other modular segments like a corner sofa to create custom outdoor lounge configurations.

### SETUP INSTRUCTIONS

Assembly is required for this product. Please ensure all components are present before beginning the assembly process. Refer to the included diagrammatic instructions for proper assembly. Use appropriate tools and avoid overtightening screws to prevent damage to the wood.

## MAINTENANCE

---

Proper maintenance will extend the lifespan of your outdoor furniture.

- **Cleaning:** Use a mild soapy solution for cleaning both the wooden frame and the cushion cover. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If possible, store the pouf in a cool, dry indoor location during off-seasons or inclement weather. If stored outdoors, protect it with a waterproof cover.
- **Moisture Management:** After rain or snowfall, wipe and dry any excess water or snow from flat surfaces. Ensure sufficient air circulation to prevent moisture damage, mold, or mildew, especially for the cushion.

## TROUBLESHOOTING

---

- **Stability Issues:** If the pouf feels unstable after assembly, re-check all connections and ensure that all screws are tightened securely. Do not use the product if it feels unstable.
- **Wood Splintering:** As this product is made from natural wood, minor splintering can occur. Gently sand any rough areas if necessary. Always wear gloves during handling and assembly to prevent splinters.
- **Cushion Discoloration or Mildew:** If the cushion becomes wet, allow it to air dry completely in a well-

ventilated area before storing. Promptly clean any signs of mildew with a mild soap solution and a soft brush.
