The DUKTIG Pizza Set encourages creative play. Follow these steps to create and serve your play pizza:

- 2. Add Sauce and Cheese:** Place the red felt 'sauce' pieces onto the crust, followed by the yellow felt 'cheese' slices.
- 3. Customize with Toppings:** Select from the variety of felt toppings provided. Arrange them on the pizza slices as desired. Children can experiment with different combinations to create unique pizzas.

- **Storage:** Store all pieces in a clean, dry place when not in use to prevent dust accumulation and

maintain their condition.

- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken or heavily worn pieces to ensure safe play.

## 5. TROUBLESHOOTING

This is a simple play set, and issues are rare. However, if you encounter any problems:
