

Devoko 2TG

Devoko Gaiming Desk 160x60cm Assembly and User Manual

Model: 2TG

1. INTRODUCTION

Thank you for choosing the Devoko Gaiming Desk. This ergonomic computer desk is designed to enhance your gaming and work experience with its spacious carbon fiber surface, robust construction, and convenient features. This manual provides essential information for safe assembly, proper use, and maintenance of your new desk. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

- **Read all instructions:** Ensure you understand all assembly steps and safety warnings before proceeding.
- **Keep children away:** Small parts can be a choking hazard. Keep children and pets away from the assembly area.
- **Use appropriate tools:** Only use the tools provided or recommended in this manual.
- **Assemble on a soft surface:** To prevent scratches, assemble the desk on a clean, soft surface like a carpet.
- **Two-person assembly recommended:** Some steps may require assistance for safety and ease.
- **Do not overtighten screws:** Overtightening can damage threads or components.
- **Check stability:** After assembly, ensure the desk is stable and all connections are secure before use.
- **Maximum load capacity:** Do not exceed the desk's maximum weight capacity of approximately 72 kg (160 lbs).

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desktop sections (2 parts)
- T-shaped leg frames (2)
- Crossbeam support
- Adjustable leveling feet (4)
- Cup holder
- Headphone hook
- Cable management box
- Assembly hardware (screws, bolts, Allen wrench)
- Instruction manual

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Devoko Gaming Desk. It is recommended to have two people for assembly.

1. **Prepare the Desktop:** Place the two desktop sections (carbon fiber surface facing down) on a soft, clean surface. Align them carefully.
2. **Attach Crossbeam Support:** Secure the crossbeam support to the underside of the desktop sections using the provided hardware. This reinforces the joint between the two desktop parts and provides structural integrity. Ensure it is centered and securely fastened.
3. **Install T-shaped Legs:** Attach the two T-shaped leg frames to the designated mounting points on the underside of the desktop. Use the appropriate screws and tighten them firmly but do not overtighten. The T-shaped design provides stability.
4. **Attach Adjustable Leveling Feet:** Screw the four adjustable leveling feet into the bottom of the T-shaped leg bases. These feet help stabilize the desk on uneven surfaces.
5. **Mount Accessories:**
 - **Cup Holder:** Attach the rotating cup holder to the desired side of the desk using the provided hardware.
 - **Headphone Hook:** Secure the headphone hook to the underside of the desk, typically on the opposite side of the cup holder, using the provided hardware.
 - **Cable Management Box:** Install the cable management box to the underside of the desk, usually towards the rear, to organize your power cables and other wires.
6. **Final Check:** Carefully flip the desk upright. Adjust the leveling feet to ensure the desk is stable and does not wobble. Verify all screws are tight and components are securely in place.

5. OPERATING INSTRUCTIONS

- **Desk Surface:** The spacious 160x60cm carbon fiber desktop provides ample room for your gaming setup, including multiple monitors, keyboard, mouse, and speakers. The surface is durable and easy to clean.
- **Cup Holder:** Use the rotating cup holder to keep your beverages secure and within easy reach, preventing spills on your desk.
- **Headphone Hook:** Hang your headphones on the dedicated hook to keep them off the desk surface, protecting them from damage and freeing up space.
- **Cable Management:** Utilize the integrated cable management box and grommets to route and organize your power and data cables, maintaining a tidy and clutter-free workspace.
- **Ergonomic Design:** The desk features an ergonomic design with rounded edges for comfortable use during long gaming or work sessions.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the carbon fiber finish.
- **Spills:** The carbon fiber tabletop is designed to be durable. For spills, wipe immediately with a dry cloth.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability.
- **Avoid Excessive Weight:** Do not place excessively heavy items on the desk, especially near the edges, to prevent damage or instability.

7. TROUBLESHOOTING

- **Desk is wobbly:**
 - Ensure all assembly screws are securely tightened.
 - Adjust the leveling feet at the bottom of the T-shaped legs to compensate for uneven floor surfaces.
- **Parts missing or damaged:**
 - Carefully check the packaging for any overlooked small parts.
 - Contact Devoko customer support with your purchase details for assistance.
- **Difficulty during assembly:**
 - Re-read the assembly instructions carefully, paying attention to diagrams.
 - Ensure components are oriented correctly before tightening screws.
 - If issues persist, contact customer support.
