VIAGDO Luxury 3-Wheel Pet Stroller Jogger

VIAGDO Luxury 3-Wheel Pet Stroller Jogger Instruction Manual

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your VIAGDO Luxury 3-Wheel Pet Stroller Jogger. Please read all instructions carefully before use to ensure safe and proper handling of the product. Keep this manual for future reference.

Safety Information

- Always ensure your pet is securely fastened with the internal safety belts before moving the stroller.
- Do not exceed the maximum weight capacity of 55 lbs (25 kg).
- Engage the link brake when the stroller is stationary to prevent accidental movement.
- Avoid leaving your pet unattended in the stroller, especially on inclines or uneven surfaces.
- Regularly inspect all parts for wear and tear. Do not use if any components are damaged.
- Keep hands and fingers clear of moving parts during folding and unfolding.

Package Contents

Before assembly, verify that all components are present:

- Pet Stroller Frame
- Front Wheel
- Rear Wheels (2)
- Wheel Axle with Brake
- Footboard
- Cup Holder
- Instruction Manual

Assembly Instructions

Follow these steps to assemble your pet stroller:

1. **Unboxing and Preparation:** Carefully open the package and remove all components. Lay them out on a clean, flat surface.
2. **Install the Rear Wheel Axle:** Unfold the stroller frame partially. Locate the rear wheel axle and align it with the designated slots on the lower rear frame. Push firmly until it clicks into place.
3. **Install the Rear Wheels:** Attach each rear wheel to the axle. Ensure the buttons on the axle pop up, indicating a secure connection.
4. **Install the Front Wheel:** Attach the front wheel to the front fork of the stroller. Ensure it is securely in place.
5. **Install the Storage Basket:** Secure the fabric storage basket to the frame using the provided straps or clips.
6. **Secure the Main Compartment:** Ensure the main pet compartment is fully extended and secured to the frame

using all attachment points.

7. **Install the Footboard:** Attach the footboard to the front of the stroller frame using the provided screws. Tighten all four screws for stability.
8. **Install the Cup Holder:** Slide the cup holder onto the handle until it locks into position.

This image details the user-friendly features of the stroller, including padded handles for comfort, a quick-collapse button, a practical cup holder and storage tray, a single foot-activated link brake for security, and a 360-degree swivel front wheel for easy maneuverability.

Assembly Video Guide

Video: This video provides a step-by-step guide on how to assemble the VIAGDO Luxury 3-Wheel Pet Stroller Jogger, covering all components from unboxing to final setup.

Operating Instructions

Opening and Folding the Stroller

To open the stroller, release the folding latch and extend the frame until it locks into place. To fold, press the collapse button on the handle and push the frame inwards until it is compact.

Securing Your Pet

Place your pet inside the main compartment. Use the double safety belts to securely attach your pet's harness or collar, preventing them from jumping out during movement.

Canopy and Mesh Windows

The canopy can be adjusted to three levels to provide shade or full enclosure. The tear-proof and breathable mesh windows on the top and sides ensure airflow and allow your pet to see their surroundings.

Focuses on pet comfort and safety, showing the top and side breathable mesh windows for ventilation and visibility, the removable inner pad for easy cleaning, double safety belts to secure the pet, and a stepping board that doubles as a food tray.

Using the Brake

The single foot-activated link brake is located on the rear wheel axle. Press down on the pedal to engage the brake and lift it up to release. Always engage the brake when the stroller is stationary.

Maneuverability

The 360-degree rotating front wheel allows for smooth steering and easy navigation. The damping system in the front wheel helps absorb shocks, providing a comfortable ride on various terrains.

Illustrates the stroller's versatility across different terrains, showcasing its damping front wheel system designed to provide a smooth ride over grass, sand, brick roads, speed bumps, and even steps.

Storage Features

Utilize the cup holder and storage tray on the handle for your beverages and small items. The extra-large storage basket under the pet compartment is ideal for carrying pet supplies, toys, or personal belongings.

Functionality Videos

Video: This video highlights additional features of the VIAGDO pet stroller, such as the integrated cup holder, the visibility provided by the mesh windows, and the simple one-hand folding mechanism for compact storage.

Video: Demonstration of the VIAGDO pet stroller's functional aspects, including how to place a pet inside, adjust the canopy, and utilize the various entry and exit points for convenience.

Maintenance and Care

Cleaning

The 600D Oxford Cloth material can be spot cleaned with a damp cloth and mild soap. The removable inner pad is washable for easy cleaning. Allow all parts to air dry completely before folding or storing.

Wheel Maintenance

Periodically check the wheels for debris and ensure they spin freely. The quick-release rear tires can be easily removed for cleaning or storage. Ensure all wheel connections are secure before each use.

Troubleshooting

- **Wobbly Wheels:** If a wheel feels wobbly, ensure it is fully engaged and the locking mechanism (button) has popped out. Re-install if necessary.
- **Difficulty Folding/Unfolding:** Ensure all locking mechanisms are properly disengaged/engaged. Do not force the frame. Refer to the assembly video for correct procedure.
- **Brake Not Engaging:** Check for any obstructions around the brake mechanism. Ensure the pedal is fully depressed to engage.
