EGLOO S4

EGLOO S4 Smart Home Security Camera User Manual

Model: S4 (TSC-221P)

INTRODUCTION

The EGLOO S4 is a versatile 1080P Wi-Fi smart camera designed for comprehensive home monitoring. It functions as a security camera, baby monitor, and pet camera, offering advanced features such as integrated temperature and humidity monitoring, remote appliance control, motion and sound detection with real-time alerts, clear IR night vision, and two-way audio communication. Its wide field of view and digital zoom capabilities provide comprehensive coverage for various indoor environments.

SAFETY INFORMATION

- Ensure the camera is placed on a stable, flat surface to prevent falling.
- Keep the device away from water, moisture, and extreme temperatures.
- Do not attempt to disassemble or repair the device yourself. Refer to qualified service personnel.
- Use only the provided power adapter to prevent damage.
- Keep out of reach of children and pets to avoid accidental damage or injury.
- Avoid placing the camera in direct sunlight or near heat sources.

PACKAGE CONTENTS

Please verify that all items are present in your package:

- EGLOO S4 Smart Home Security Camera
- Power Adapter
- User Manual (this document)
- Mounting Accessories (if applicable, not specified but common)

PRODUCT OVERVIEW

SETUP GUIDE

1. Download the EGLOO App:

Search for "EGLOO" in your mobile device's app store (App Store for iOS or Google Play Store for Android) and download the official application. Alternatively, scan the QR code below:

Scan this QR code to quickly download the EGLOO application.

For more information, visit: <http://m.site.naver.com/0ZStX>

2. Power On the Camera:

Connect the provided power adapter to the camera's power port and plug it into a wall outlet. The camera will power on

automatically.

3. Add Device in App:

1. Open the EGLOO app and create an account or log in.
2. Follow the in-app instructions to add a new device. This typically involves selecting your camera model and connecting it to your Wi-Fi network (2.4GHz Wi-Fi is supported).
3. Ensure your mobile device is connected to the same Wi-Fi network during the setup process.

OPERATING INSTRUCTIONS

Live View and Controls:

Once connected, you can access the live video feed from your camera through the EGLOO app. Use the on-screen controls to pan, tilt, and zoom the camera, activate two-way audio, or take snapshots/record video.

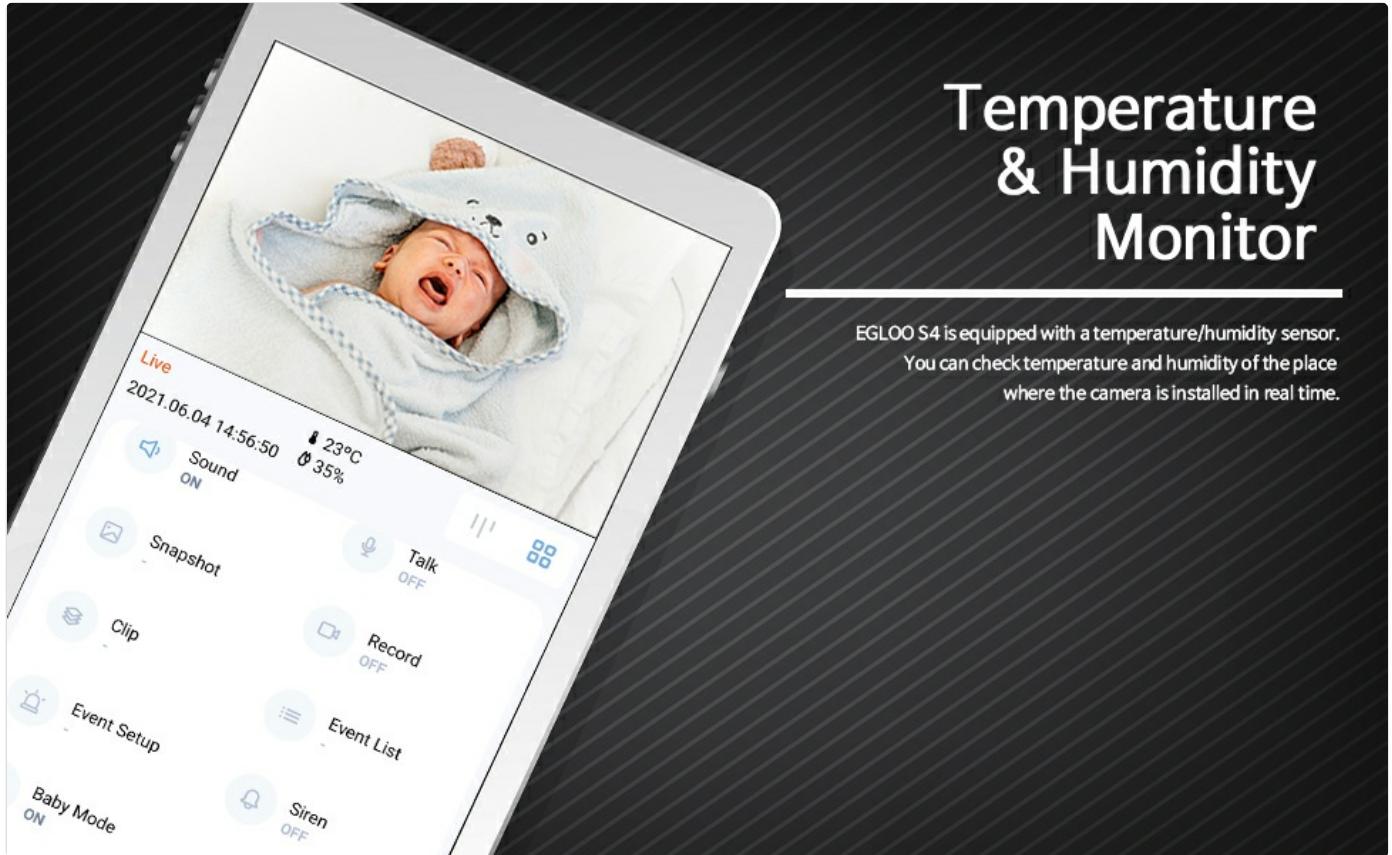

Temperature and Humidity Monitoring:

The EGLOO S4 continuously monitors the ambient temperature and humidity. View real-time data directly within the app to ensure optimal environmental conditions, especially for baby or pet monitoring.

Temperature & Humidity Monitor

EGLOO S4 is equipped with a temperature/humidity sensor.

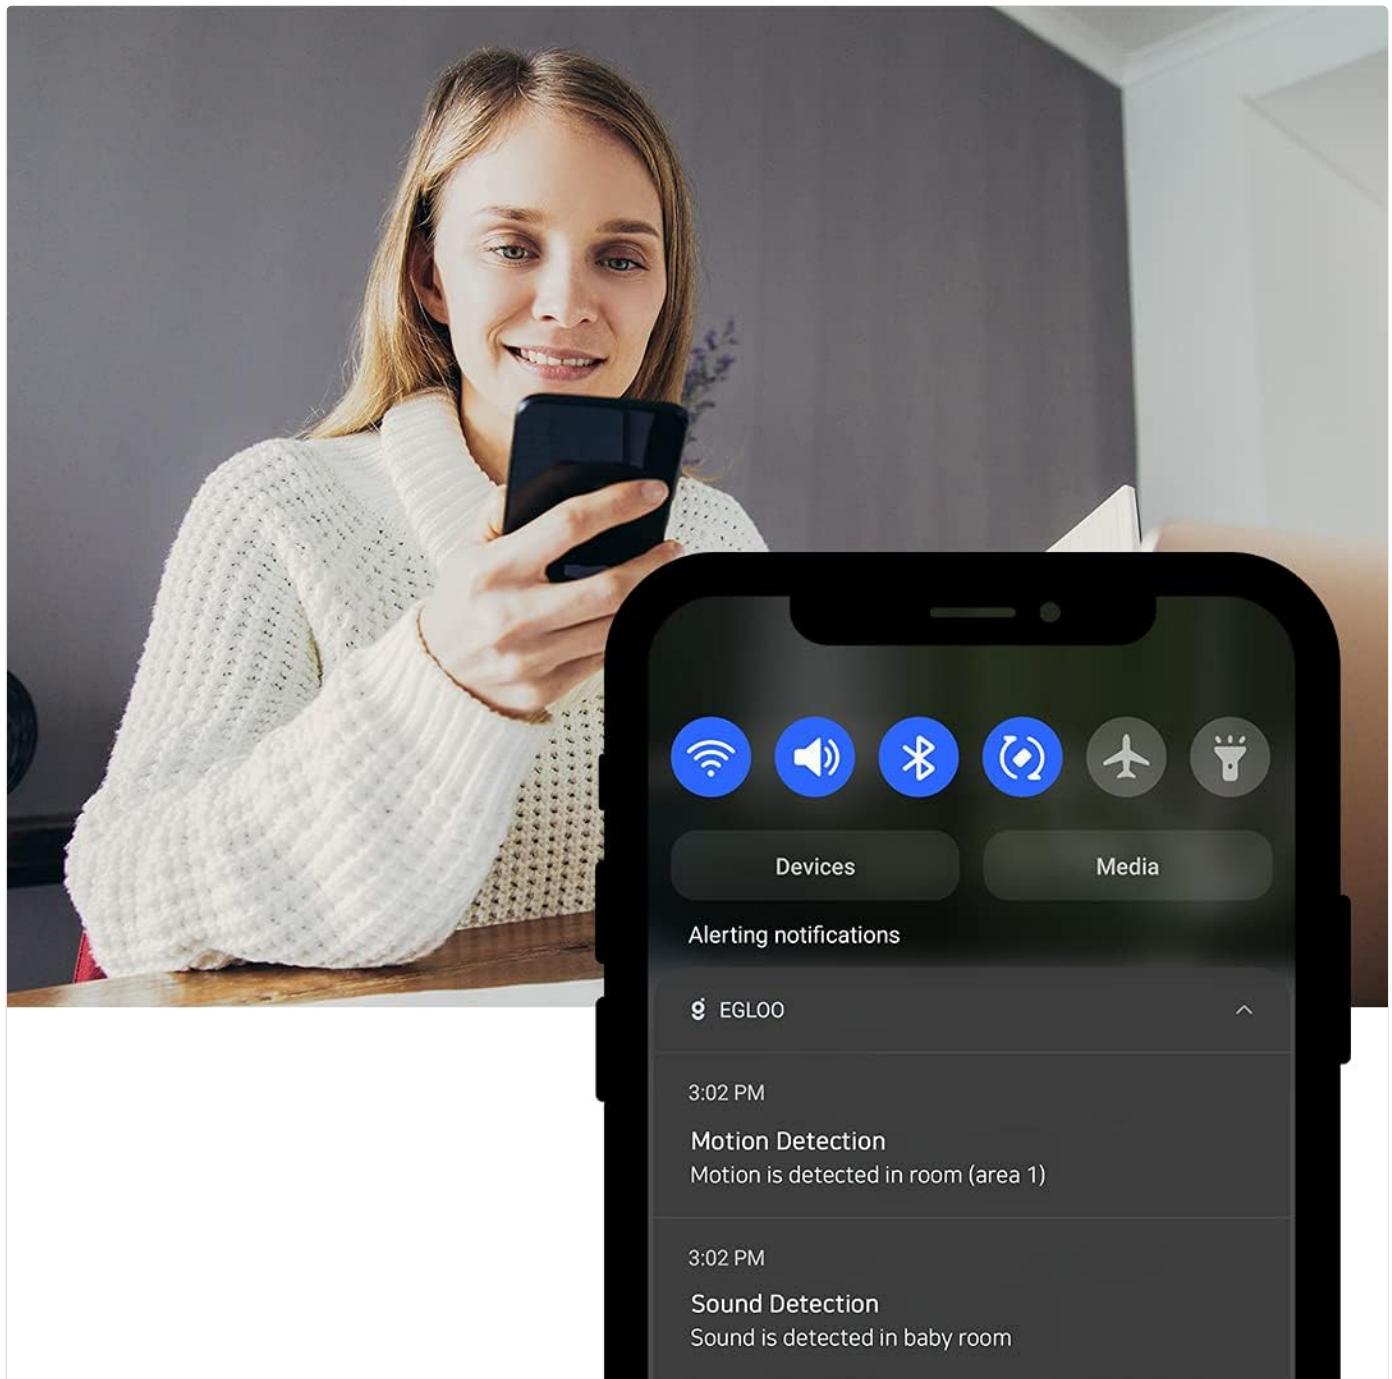

You can check temperature and humidity of the place where the camera is installed in real time.

The EGLOO app interface displaying real-time temperature and humidity readings alongside the live camera feed, useful for monitoring a baby's room.

Motion and Sound Detection:

Configure motion and sound detection settings in the app to receive instant push notifications when activity is detected. Adjust sensitivity levels to minimize false alerts.

A smartphone screen displaying controls for an air conditioner, demonstrating the remote appliance control feature of the EGLOO S4 camera.

Night Vision:

The camera automatically switches to infrared (IR) night vision in low-light conditions, providing clear black-and-white video. The "Night Color" technology enhances visibility.

A split image demonstrating the difference between normal lighting and the clear infrared night vision capability of the camera in a room setting.

Two-Way Audio:

Utilize the two-way audio feature to speak through the camera and hear responses. This is ideal for comforting a baby, communicating with a pet, or interacting with family members.

An image of a puppy with a speech bubble saying "Hi, puppy!", illustrating the two-way audio communication feature of the camera for interacting with pets.

MAINTENANCE

- Cleaning:** Gently wipe the camera lens and body with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Storage:** If storing the camera for an extended period, disconnect it from power and keep it in a cool, dry place.
- Software Updates:** Regularly check the EGLOO app for firmware updates to ensure optimal performance and security.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Camera not connecting to Wi-Fi.	Incorrect Wi-Fi password; camera too far from router; 5GHz Wi-Fi network.	Verify Wi-Fi password. Move camera closer to router. Ensure you are connecting to a 2.4GHz Wi-Fi network. Restart camera and router.
No notifications received.	App notification settings disabled; phone notification settings disabled; incorrect detection sensitivity.	Check notification settings within the EGLOO app. Verify phone's system notification settings for the EGLOO app. Adjust motion/sound detection sensitivity.
Poor video quality.	Weak Wi-Fi signal; insufficient bandwidth.	Ensure strong Wi-Fi signal. Reduce other network activity. Consider moving camera closer to router or upgrading internet plan.
Camera is unresponsive.	Power issue; software glitch.	Unplug the power adapter, wait 10 seconds, then plug it back in to restart the camera. If the issue persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Model Name	S4
Item Model Number	TSC-221P
Connectivity Technology	Wireless (Wi-Fi)
Video Capture Resolution	1080p
Maximum Webcam Image Resolution	200 MP
Field Of View	360 Degrees
Zoom Type	Digital Zoom
Low Light Technology	Night Color
Alert Type	Audio and Motion
Item Dimensions (L x W x H)	4.34 x 3.1 x 4.34 inches
Item Weight	0.44 Pounds (7 ounces)
Power Source	AC Adapter (Batteries Not Required)
International Protection Rating	IP65
Manufacturer	TRUEN

WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the official EGLOO website or contact the manufacturer directly. The installation manual is available as a PDF document for further reference.
