WOODBIDGE B0013

WOODBIDGE 67-inch Freestanding Acrylic Bathtub User Manual

Model: B0013

1. INTRODUCTION

Thank you for choosing the WOODBRIDGE 67-inch Freestanding Acrylic Bathtub. This manual provides essential information for the safe installation, operation, maintenance, and troubleshooting of your new bathtub. Please read this manual thoroughly before installation and retain it for future reference.

2. SAFETY INFORMATION

- **Professional Installation:** Installation should be performed by a qualified and licensed plumber in accordance with all local plumbing and building codes.
- **Handling:** Bathtubs can be heavy. Use appropriate lifting techniques and equipment to prevent injury and damage to the product or property.
- **Water Temperature:** Always test water temperature before entering the bathtub to prevent scalding.
- **Cleaning Products:** Use only non-abrasive, mild cleaning agents. Harsh chemicals can damage the acrylic surface.
- **Weight Capacity:** Do not exceed the recommended weight capacity of the bathtub. The bottom is reinforced with a stainless steel bracket for 1000 LBS bearing capacity.
- **Non-Slip Surface:** The bathtub features a non-slip textured bottom for added safety. However, exercise caution when entering and exiting the tub.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation.

- Freestanding Acrylic Bathtub
- Solid Brass Matte Black Drain

- Stainless Steel Matte Black Overflow
- User & Instruction Manual (this document and accompanying PDF)

4. SPECIFICATIONS

Model Number	B0013
Exterior Dimensions (L x W x H)	67 inches x 31.5 inches x 22.8 inches
Effective Tub Capacity	60 Gallons
Material	100% High Gloss White LUCITE Acrylic, reinforced with ASHLAND resin & fiberglass
Drain/Overflow Finish	Matte Black
Installation Type	Freestanding
Item Weight	104 Pounds
Certifications	CSA B45.5-17/IAPMO Z124-2017, Massachusetts Plumbing & Gas Code approved

Key Features:

- **Non-Slip Design:** Meets ASTM standards for slip resistance, providing a smooth, easy-to-clean surface that resists discoloration.
- **Premium Quality Construction:** Crafted from 100% high gloss white LUCITE acrylic, reinforced with ASHLAND resin & fiberglass for enhanced durability.
- **Enduraclean Surface:** Offers easy cleaning, low maintenance, and is stain-resistant and scratch-resistant, maintaining its high gloss finish.
- **Durable Structure:** Acrylic reinforced with fiberglass ensures long-lasting durability, with a stainless steel bracket at the bottom for a 1000 LBS bearing capacity.

5. SETUP AND INSTALLATION

5.1 Pre-Installation Checklist

- Ensure the floor can support the weight of the bathtub filled with water and a person.
- Verify that the installation area is level and clean.
- Confirm that all necessary plumbing connections (hot and cold water supply, drain) are correctly positioned and accessible.
- Inspect the bathtub for any damage prior to installation. Do not install a damaged product.

5.2 Installation Steps

For detailed installation instructions, please refer to the dedicated [Installation Manual \(PDF\)](#). A summary of key steps includes:

1. **Positioning:** Carefully place the bathtub in its desired location, ensuring proper alignment with the drain

opening.

- 2. **Leveling:** Adjust the leveling feet on the bottom of the bathtub to ensure it is perfectly level.
- 3. **Drain Connection:** Connect the bathtub drain to the floor drain. The WOODBRIDGE sealed drain system is designed for leak prevention.
- 4. **Overflow Connection:** Connect the overflow assembly.
- 5. **Water Supply (if applicable):** If installing a deck-mounted or freestanding faucet, ensure connections are secure and leak-free.
- 6. **Testing:** Fill the bathtub with water and check for any leaks around the drain and overflow connections.

6. OPERATING INSTRUCTIONS

Using your WOODBRIDGE freestanding bathtub is straightforward:

- **Filling:** Ensure the drain stopper is closed. Turn on the faucet to fill the tub to your desired level. Always check water temperature before entering.
- **Draining:** Open the drain stopper to allow water to empty. The integrated overflow prevents accidental overfilling.

7. MAINTENANCE AND CLEANING

To maintain the high gloss finish and extend the life of your WOODBRIDGE bathtub:

- **Regular Cleaning:** Clean the tub regularly with a soft cloth or sponge and a mild, non-abrasive liquid cleaner.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, steel wool, or harsh chemical solvents (e.g., acetone, paint thinner) as these can damage the acrylic surface.
- **Stain Removal:** For stubborn stains, a diluted solution of white vinegar and water can be used, followed by a thorough rinse.
- **Scratch Repair:** Minor scratches on the LUCITE acrylic surface can often be buffed out with a fine automotive polishing compound or by consulting a professional.
- **Drain and Overflow:** Periodically check and clean the drain and overflow components to ensure proper function and prevent blockages.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Water leaks from drain or overflow.	Loose connections, damaged seals.	Tighten connections. Inspect and replace seals if necessary. Refer to the installation manual.
Slow drainage.	Partial blockage in the drain.	Remove the drain stopper and clear any debris. Use a non-corrosive drain cleaner if needed, following product instructions.
Bathtub is not level.	Uneven floor or improperly adjusted leveling feet.	Adjust the leveling feet on the bottom of the bathtub until it is stable and level.

If you encounter issues not listed here or require further assistance, please contact WOODBRIDGE customer support.

9. WARRANTY AND SUPPORT

9.1 Limited Warranty

The WOODBRIDGE 67-inch Freestanding Acrylic Bathtub comes with a **1-year limited warranty**, covering defects in material and workmanship from the date of purchase. This warranty is subject to proper installation and normal use. Please retain your proof of purchase for warranty claims.

9.2 Customer Support

For technical assistance, replacement parts, or warranty inquiries, please contact WOODBRIDGE customer support. Our US-based team is available to provide fast and reliable assistance.
