The Legend of Zelda: Tears of the Kingdom

NINTENDO SWITCH INSTRUCTION MANUAL

Model: 112383

1. Getting Started

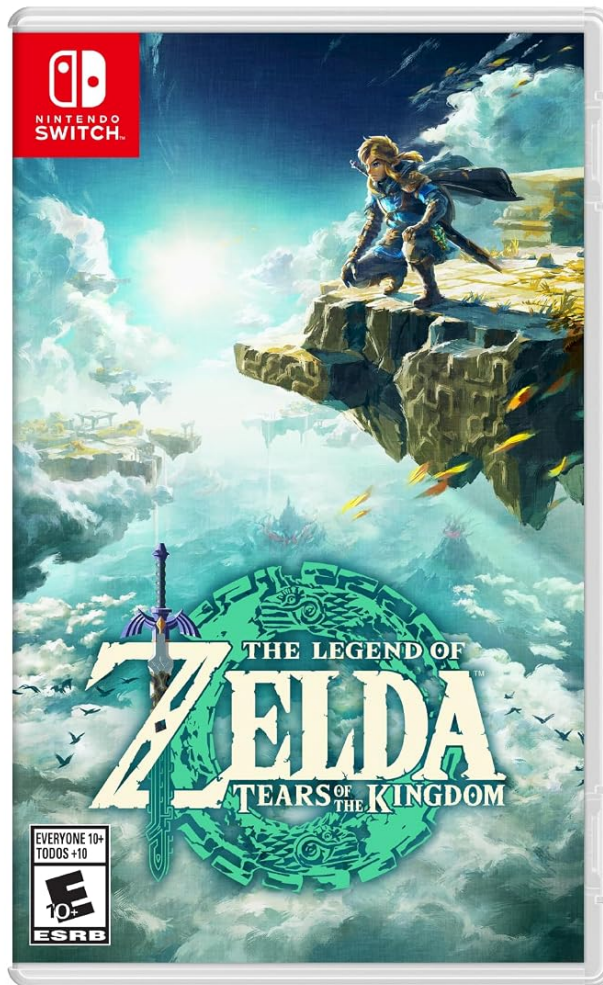

This manual provides essential information for setting up and playing The Legend of Zelda: Tears of the Kingdom on your Nintendo Switch console.

1.1 System Requirements

- Nintendo Switch console (sold separately)
- Sufficient storage space on your console or microSD card for game data and updates

1.2 Game Card Insertion

1. Ensure your Nintendo Switch console is powered off or in sleep mode.
2. Locate the game card slot on the top right side of your Nintendo Switch console.
3. Insert the game card with the label facing the same direction as the console's screen until it clicks into place.
4. Power on your console. The game icon will appear on the HOME Menu.

1.3 Initial Game Launch

Select the game icon from the HOME Menu to start the game. Follow any on-screen prompts for initial setup, including language selection and user profile association.

2. Operating Instructions

2.1 Basic Controls

The game utilizes standard Nintendo Switch controls. Refer to your Nintendo Switch console's manual for detailed controller layouts. Key actions include:

- **Left Stick:** Movement
- **Right Stick:** Camera control
- **A Button:** Confirm/Interact

- **B Button:** Cancel/Run
- **Y Button:** Attack
- **X Button:** Jump
- **L/R Buttons:** Shield/Bow (hold)
- **ZL/ZR Buttons:** Target/Special Abilities
- **Up/Down on D-Pad:** Select Runes/Items

2.2 Core Mechanics

The Legend of Zelda: Tears of the Kingdom introduces several new abilities for Link, enhancing exploration and combat.

Ultrahand

The Ultrahand ability allows Link to pick up, move, and rotate almost any object in the environment. Objects can be attached together to create structures, vehicles, or solve puzzles.

Image: Link using Ultrahand to manipulate three logs, highlighting the attachment points for construction.

Fuse

Fuse allows Link to combine almost any object with his current weapon, shield, or arrow. This can increase durability, damage, or add new effects. Experiment with various combinations to discover unique properties.

Craft and construct fantastic weapons and vehicles.
Forja y construye armas y vehículos fantásticos.

WARNING: IF YOU HAVE EPILEPSY OR HAVE HAD SEIZURES OR OTHER UNUSUAL REACTIONS TO FLASHING LIGHTS OR PATTERNS, CONSULT A DOCTOR BEFORE PLAYING VIDEO GAMES.

ADVERTENCIA: SI TIENES EPILEPSIA O HAS TENIDO CONVULSIONES U OTRAS REACCIONES EXTRAORDINARIAS A DESTELLOS O PATRONES DE LUZ, CONSULTA CON UN MÉDICO ANTES DE JUGAR VIDEOJUEGOS.

IMPORTANT! Read the Nintendo Switch Health & Safety Information before setup or use of your system. The operation instructions are located in the system settings. The use of an unauthorized device or software that enables technical modification may render this software or your Nintendo Switch system permanently unplayable. A game or system update (or both) may be required to play.

¡IMPORTANTE! Lee las instrucciones de salud y seguridad de Nintendo Switch antes de configurar o utilizar la consola. Para ver las instrucciones de uso accede a la configuración de la consola. Usar un dispositivo o programa no autorizado que permita modificaciones técnicas, podría hacer que la consola Nintendo Switch o el programa dejen de funcionar permanentemente. Es posible que debas realizar una actualización de la consola, del juego o de ambos para poder jugar.

Image: Link in combat, wielding a weapon fused with a large rock, demonstrating the Fuse ability for enhanced melee attacks.

Ascend

The Ascend ability enables Link to pass through solid objects directly above him, such as ceilings, hillsides, or certain enemies. This creates shortcuts and new pathways for exploration.

Image: Link using the Ascend ability, rising through a stone ceiling with green energy surrounding him, illustrating vertical traversal.

Recall

Recall allows Link to reverse the movement of objects through time. This can be used to ride fallen boulders skyward, retrieve thrown weapons, or send projectiles back to their origin.

Image: Link standing on a large falling rock, using the Recall ability to reverse its trajectory and ascend, demonstrating time manipulation.

2.3 Exploration

The world of Hyrule has expanded to include vast Sky Islands and mysterious Depths. Utilize Link's new abilities to navigate these diverse environments.

Image: Link looking up at a large, flat sky island floating in the distance, indicating the expanded vertical exploration of Hyrule.

2.4 Saving Progress

The game features an auto-save function that regularly records your progress. You can also manually save your game from the pause menu at most times.

3. Maintenance

3.1 Game Card Care

- Keep the game card clean and free from dust or debris.
- Store the game card in its original case or a protective holder when not in use.
- Avoid touching the metal connectors on the back of the game card.

3.2 Software Updates

Ensure your Nintendo Switch console is connected to the internet to receive the latest game software updates. Updates often include bug fixes, performance improvements, and new content.

4. Troubleshooting

4.1 Common Issues

- **Game Not Loading:** Ensure the game card is correctly inserted and clean. Restart your Nintendo Switch console.
- **Controls Unresponsive:** Check if your Joy-Con controllers are properly attached or if your Pro Controller is paired and charged.
- **Game Freezing/Crashing:** Ensure your game software and console firmware are up to date. Try restarting the game or console.
