GAME SETUP

Follow these steps to prepare your game for play:

1. Unfold the game board and place it on a flat surface.
2. Each player chooses a character token and places it on the "GO" space.
3. Separate the Gold Bar cards, Title Deed cards, Professor cards, and Police cards into their respective decks. Shuffle each deck and place them face down on their designated spaces on the board.
4. Organize the money by denomination. Designate one player as the Banker. The Banker is responsible for all money not yet in play, as well as Gold Bar cards, Title Deeds, Professor cards, and Police cards until they are acquired by players.
5. Each player receives a starting amount of money from the Banker.
6. Each player receives a Character Card and a Field Leader Card (if applicable).

How to Play

The objective of the game is to be the last player remaining with money, or to accumulate the most money and assets by securing key locations and evading the police.

Player Turn

1. Roll both dice.
2. Move your token clockwise around the board the number of spaces indicated by the dice.
3. Perform the action associated with the space you land on.

Board Spaces

- **Gold Bar Spaces:** When you land on a Gold Bar space, draw a Gold Bar card and follow its instructions. These cards can provide advantages or challenges.
- **Property Spaces (Mint/Bank Locations):** When you land on an unowned property, you may purchase it for the price indicated. If you choose not to buy it, the Banker auctions it to the highest bidder. Owning properties allows you to collect rent from other players who land on them.
- **Professor Cards:** Draw a Professor card and follow its instructions. These cards often relate to strategic moves or character abilities.

- **Police Cards:** Draw a Police card and follow its instructions. These cards typically involve penalties or interactions with the police.
- **Go to Jail:** If you land on "Go to Jail," roll doubles three times in a row, or draw a "Go to Jail" card, you must move your token directly to the "Jail" space. You do not collect money if you pass "GO."
- **Free Parking:** This is a safe space with no immediate action.
- **GO:** When you pass or land on "GO," collect 200 from the Bank.

Character Skills

Each character has unique skills that can be used during the game. Refer to your Character Card for details on how and when to use your specific abilities to gain an advantage in the heist.

Winning the Game

The game ends when all but one player is bankrupt, or after a predetermined time limit, at which point the player with the most money and assets wins.
