## 4. SETUP AND ASSEMBLY

Follow the step-by-step diagrams provided in the included instruction booklet for proper assembly. Ensure all pieces are correctly connected to form stable structures.

1. **Unpack Components:** Carefully remove all pieces from the packaging. Verify that all 1193 pieces are present by comparing them with the parts list in the instruction booklet.
2. **Identify Pieces:** Sort the pieces by type, color, or size as indicated in the diagrams to simplify the assembly process.
3. **Follow Diagrams:** Refer to the detailed illustrations in the instruction booklet. Each step shows which pieces to connect and in what order.
4. **Secure Connections:** Ensure that all connections are firm and secure to prevent structures from falling apart during play.
5. **Adult Assistance:** For younger children, adult assistance may be required for complex steps or to ensure pieces are correctly joined.

## 5. OPERATING INSTRUCTIONS

Once assembled, the G-Star Anti-Terrorism Meccano Building Toy is ready for imaginative play. The primary function of this toy is to encourage creative construction and role-playing scenarios.

- **Creative Play:** Use the assembled models as a basis for imaginative stories and scenarios.
- **Reconstruction:** Disassemble and reassemble the pieces to create new models and designs, fostering problem-solving skills.
- **Educational Value:** Engage in activities that promote hand-eye coordination, fine motor skills, and creative thinking.

## 6. MAINTENANCE

---

Proper maintenance will extend the lifespan of your building toy and keep it in good condition.

- **Cleaning:** Wipe pieces with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse pieces in water or use harsh chemical cleaners.
- **Storage:** Store all pieces in their original packaging or a designated storage container in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken or severely damaged pieces to prevent injury.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your G-Star Anti-Terrorism Meccano Building Toy, refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, refer to the warranty and support section for assistance.
- **Difficulty Assembling:** Ensure you are following the instruction diagrams precisely. Some connections may require gentle but firm pressure. Verify that you are using the correct pieces for each step.
- **Loose Connections:** If assembled structures are unstable, re-examine the connections. Ensure pieces are fully clicked or pushed into place.
