MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your outdoor side table.

- **Cleaning the Rattan Weave:** Wipe down the synthetic rattan with a soft cloth dampened with mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots. Avoid harsh chemicals or abrasive cleaners.
- **Cleaning the Aluminum Frame:** The powder-coated aluminum frame can be cleaned with a soft cloth and mild soap and water. Avoid scratching the finish.
- **Cleaning the Glass Tabletop:** Use a standard glass cleaner and a soft, lint-free cloth.
- **Protection:** Although water and UV resistant, covering the table during prolonged periods of harsh weather or when not in use can further protect it and extend its lifespan.
