Image: The product packaging for the Paw Patrol Mighty Pups Super Paws 24-Piece Jigsaw Puzzle. The image displays two variations of the puzzle box, one featuring Marshall and the other featuring Chase, both in their Mighty Pups Super Paws attire. Each box indicates "24 PUZZLE Pieces" and is marked for ages 4+. The dimensions 9.1 in x 10.3 in (23.11 cm x 26.16 cm) are visible at the bottom of the boxes.

## SETUP AND ASSEMBLY

Follow these steps to assemble your Paw Patrol Jigsaw Puzzle:

1. **Choose a Flat Surface:** Select a clean, flat, and stable surface large enough to accommodate the

assembled puzzle (approximately 9.1 x 10.3 inches or 23.11 x 26.16 cm).

## 2. Sort the Pieces:

- Separate all edge pieces (pieces with at least one straight side) from the center pieces.
- Group pieces by color or distinct design elements to make assembly easier.

3. **Build the Border:** Assemble the edge pieces first to create the outer frame of the puzzle. This provides a clear boundary for the rest of the assembly.

4. **Fill in the Center:** Begin to connect the remaining pieces, using the image on the puzzle box as a guide. Focus on matching colors, patterns, and character details.

5. **Complete the Puzzle:** Continue placing pieces until the entire image is formed.

## OPERATING INSTRUCTIONS (HOW TO PLAY)

---

The Paw Patrol Jigsaw Puzzle is designed for individual or collaborative play. The objective is to correctly connect all 24 pieces to reveal the complete image of the Mighty Pups Super Paws characters.

- Encourage children to identify shapes and colors.
- Promote discussion about the Paw Patrol characters and their adventures.
- For younger children, provide assistance by helping them sort pieces or place initial sections.
- For a challenge, try assembling the puzzle without looking at the box image.

## CARE AND MAINTENANCE

---

- **Storage:** Store the puzzle pieces in their original box or a secure container to prevent loss or damage. Keep in a dry place away from direct sunlight.
- **Cleaning:** Wipe pieces gently with a dry, soft cloth if they become dusty. Avoid using water or cleaning solutions, as this may damage the puzzle's finish.
- **Handling:** Handle pieces carefully to prevent bending or tearing.

## TROUBLESHOOTING

---

- **Missing Pieces:** Carefully check the play area and surrounding surfaces. If a piece is genuinely missing, contact the manufacturer's customer support (details not provided in product data).
- **Pieces Don't Fit:** Ensure the pieces are oriented correctly. Some pieces may appear similar but have unique cuts. Refer to the box image for guidance.
- **Difficulty Assembling:** If a child is struggling, offer assistance by sorting pieces, building the border, or pointing out key visual cues. Puzzles are designed to be challenging but achievable.
