## W-KING D9-1

# W-KING D9-1 Portable Bluetooth Speaker User Manual

Model: D9-1 | Brand: W-KING

## INTRODUCTION

Thank you for choosing the W-KING D9-1 Portable Bluetooth Speaker. This manual provides essential information for setting up, operating, and maintaining your speaker to ensure optimal performance and longevity. The D9-1 is designed for powerful audio experiences, featuring 100W peak output, IPX6 waterproofing, and versatile connectivity options, making it ideal for both indoor and outdoor use.

## WHAT'S IN THE BOX

- 60W Bluetooth Speaker (D9-1)
- User Manual
- 3.5mm Audio Cable
- Type-C Charging Cable

## SETUP GUIDE

### 1. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided Type-C charging cable to the speaker's Type-C charging port and the other end to a 5V 2A power adapter (not included). The battery capacity is 5100 mAh, providing up to 40 hours of playtime at low volume. Full charging time is approximately 4-7 hours.

# UNIVERSAL COMPATIBILITY

Supports BLUETOOTH 5.0, TF CARD, AUX, NFC(NFC Only for Android)

Video: A user demonstrating the charging capabilities of the W-KING D9-1 speaker, highlighting its Type-C charging port and power bank function. This video shows the speaker being charged and then used to charge a phone.

## 2. Power On/Off

Press and hold the power button (?) located on the top panel for 2-3 seconds to turn the speaker on or off. A voice prompt will indicate the power status.

## 3. Bluetooth Pairing

Once powered on, the speaker will automatically enter Bluetooth pairing mode, indicated by a flashing blue LED. On your device (smartphone, tablet, etc.), enable Bluetooth and select "W-KING D9-1" from the list of available devices. A voice prompt will confirm successful pairing.

#### 4. True Wireless Stereo (TWS) Pairing

For an immersive 120W stereo sound experience, you can pair two W-KING D9-1 speakers together. Ensure both speakers are powered on and not connected to any other Bluetooth device. Press the TWS button on one speaker (it might be labeled with a chain link icon or similar, refer to button layout image). The speakers will automatically connect to each other. Once paired, connect your device to one of the speakers via Bluetooth. (Note: D9 and D9-1 models cannot be paired together for TWS.)

## OPERATING INSTRUCTIONS

### 1. Control Buttons Overview

The top panel of the W-KING D9-1 speaker features intuitive control buttons for easy operation:

- **Power Button (?):** Press and hold to power on/off.

- **Volume - / Previous Track:** Short press for volume down, long press for previous track.
- **Play/Pause:** Press to play or pause music. Short press to pick up/hang up a call. Long press to reject an incoming call or redial the last dialed number (Bluetooth mode only).
- **Volume + / Next Track:** Short press for volume up, long press for next track.
- **EQ Button:** One-click to switch between different audio equalization modes (e.g., Bass Boost, Clear Middle, Crisp Treble).
- **NFC Area:** Touch your NFC-enabled Android phone to this area for quick pairing.

Image: A close-up view of the W-KING D9-1's control panel, highlighting the power, volume, play/pause, and EQ buttons, along with the NFC area and various input/output ports.

## 2. EQ Modes

The EQ button allows you to customize your audio experience. Press it to cycle through different sound profiles, such as Bass Boost for deeper resonance, or modes optimized for clear mids and crisp trebles. Experiment to find your preferred sound for various music genres.

Image: The W-KING D9-1 speaker illustrating its EQ modes, allowing users to pump up the bass or adjust audio signals for rich, powerful bass, clear middle, or crisp treble.

## 3. Multiple Playback Methods

In addition to Bluetooth, the D9-1 supports other playback options:

- **AUX Input:** Connect external audio devices using the provided 3.5mm AUX cable.
- **TF Card:** Insert a TF (MicroSD) card into the designated slot for direct music playback.
- **NFC:** For Android users, simply tap your NFC-enabled phone to the NFC area on the speaker for instant pairing.

## EQ MODES:

### Pump up the bass for any song!

Take your sound quality into your own hands with the built-in equalizer, and make your favorite songs sound even better. Adjust your audio signal, find the right balance, and enjoy deep bass, clear mids, and crisp treble.

Image: The W-KING D9-1 speaker illustrating its multiple playback methods, including Bluetooth, AUX, and TF card, compatible with various devices like laptops, smartphones, and TVs.

## 4. Power Bank Function

The speaker features a USB-A port that allows you to charge your smart devices on the go. Simply connect your device's charging cable to the USB-A port on the speaker. (Note: This port does not support U-DISK playback.)

# UNIVERSAL COMPATIBILITY

Supports BLUETOOTH 5.0, TF CARD, AUX, NFC(NFC Only for Android)

Image: A person charging their smartphone using the W-KING D9-1 speaker's power bank function while enjoying the outdoors.

## 5. Hands-Free Calling

When connected via Bluetooth, the speaker's built-in microphone allows for hands-free calls. Short press the Play/Pause button to answer or end a call. Long press to reject an incoming call or redial the last dialed number. The microphone is only active in Bluetooth mode.

## Outdoor-Ready and Incredibly Portable

The iron handle design makes it sturdy and portable. You can take this Bluetooth speaker to the beach, on the road, or on your next camping trip. Wherever you go, the W-KING Portable outdoor speaker will be your ultimate music companion.

Size: 12.4" x 7.4" x 4.3"

## MAINTENANCE

To ensure the longevity and optimal performance of your W-KING D9-1 speaker, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to clean the speaker's exterior. Avoid using harsh chemicals or abrasive cleaners.
- **Waterproofing (IPX6):** The speaker is IPX6 waterproof, meaning it can withstand high-pressure water splashes from any direction. It is suitable for outdoor activities and can resist rain and dust. However, *do not submerge the speaker in water*. Ensure the port cover on the back is securely closed to maintain water resistance.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight, extreme temperatures, and strong magnetic fields when not in use for extended periods.
- **Battery Care:** To preserve battery life, fully charge the speaker before storing it for long periods. Avoid completely draining the battery frequently.

# IPX6 WATERPROOF

Withstand high pressure water splash!

## TROUBLESHOOTING

If you encounter issues with your W-KING D9-1 speaker, please refer to the following common problems and solutions:

Problem	Possible Cause & Solution
Speaker won't turn on.	Battery is low. Charge the speaker fully.
Cannot pair via Bluetooth.	Speaker is not in pairing mode or too far from device. Ensure speaker is on and flashing blue LED, move closer. Clear previous Bluetooth connections on your device.

Problem	Possible Cause & Solution
Sound distortion or rattling.	Volume too high or audio source issue. Lower volume on both speaker and device. Check audio source quality. (Some users have reported internal rattling issues, which may require contacting customer support if persistent.)
Charging is slow or not working.	Using an incompatible charger or cable. Ensure you are using a 5V 2A adapter and the provided Type-C cable.
TWS pairing failed.	Speakers are too far apart or already connected to another device. Ensure both D9-1 speakers are close and disconnected from other devices before initiating TWS pairing.

Your browser does not support the video tag.
