TecTake 180x90x40 cm Metal Storage Unit (B097PCT4ZB)

TecTake® Metal Storage Unit Instruction Manual

Model: 180x90x40 cm Metal Storage Unit (B097PCT4ZB)

Brand: TecTake

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your TecTake® Metal Storage Unit. Designed for durability and versatility, this cabinet offers secure and adjustable storage solutions for various environments, including home offices, garages, and kitchens. Please read this manual carefully before assembly and use to ensure proper installation and long-term performance.

PRODUCT FEATURES

- **Durable Enamelled Steel:** Constructed from robust, enamelled steel, ensuring strength and long-lasting security.
- **Adjustable Shelves:** Features 5 large shelves, each with individually adjustable heights, adapting to your evolving storage needs.
- **Quiet Smooth Access:** Thoughtfully enhanced doors with sound-dampening rubber buffers, gracefully swinging open to an impressive 130° angle for seamless and peaceful access.
- **Secure Cylinder Lock:** Safeguard your confidential documents and precious possessions with the dependable cylinder lock, thoughtfully provided with two keys for your peace of mind.
- **Easy Assembly:** Designed with your convenience in mind, making assembly a breeze.

HIGHLIGHTS

5 flexible spaces

four shelves are height adjustable

Sturdy housing

made of robust powder coated steel

Secure cylinder lock

with 2 keys to keep your documents safe

2 large double doors

with a 130° opening angle for easy access

Soft rubber buffers

noise-dampening, for quiet door closing

40 kg per shelf

load capacity to store all your heavy files

Easy to clean

thanks to smooth and gap free surfaces

Versatile uses

perfect for the office, garage, or workshop

Image: An infographic detailing the key features of the TecTake storage unit, such as adjustable shelves, robust construction, secure locking mechanism, wide-opening doors with quiet buffers, and high load capacity per shelf.

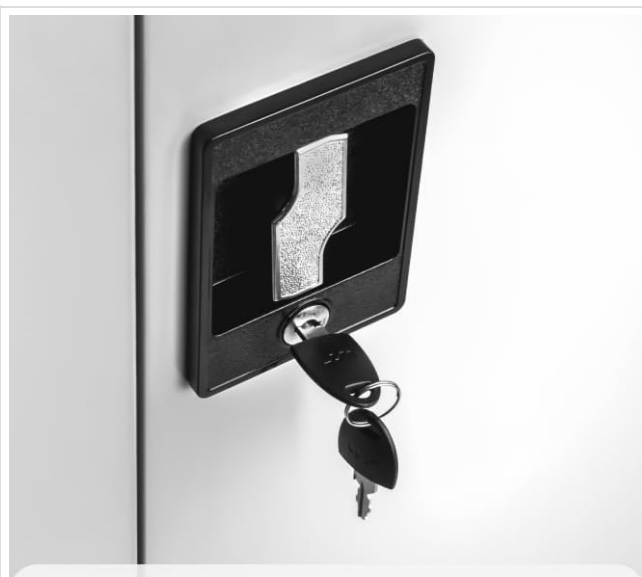

SETUP AND ASSEMBLY

The TecTake Metal Storage Unit is designed for easy assembly. Follow these steps carefully to ensure a stable and secure structure.

- 1. Unpack Components:** Carefully unpack all parts from the packaging. Verify that all components listed in the packing list are present and undamaged.
- 2. Assemble Frame:** Begin by assembling the main frame of the cabinet. Connect the side panels to the top and bottom panels using the provided fasteners. Ensure all connections are tight and secure.
- 3. Install Back Panel:** Slide or attach the back panel into the designated grooves or fasteners. This adds rigidity to the structure.
- 4. Attach Doors:** Mount the doors to the cabinet frame using the hinges. Ensure the doors swing freely and align correctly.
- 5. Install Lock Mechanism:** Secure the cylinder lock mechanism to one of the doors as per the instructions. Test

the lock with the provided keys.

6. **Insert Shelves:** Place the adjustable shelves into the desired positions. The shelves can be adjusted to various heights to accommodate different item sizes.
7. **Final Check:** Once assembled, ensure the cabinet is stable and all parts are securely fastened.

1. Secure cylinder lock with spare key

2. Individual height adjustment of the shelves

3. Solid shelves with a load capacity of 40 kg

4. Doors with rubber buffers for quiet closing

MEASUREMENTS

Dimensions
90 x 40 x 180 cm

Shelves
89.5 x 36 cm

Load capacity
40 kg per shelf

Weight
39.5 kg

Measurements are approximate

Image: A detailed diagram providing the overall dimensions of the storage unit (90 x 40 x 180 cm), shelf dimensions (89.5 x 36 cm), maximum load capacity per shelf (40 kg), and the total weight of the unit (39.5 kg).

OPERATING INSTRUCTIONS

Adjusting Shelves

The TecTake storage unit features 5 adjustable shelves. To adjust a shelf's height:

1. Empty the shelf of all contents.
2. Lift the shelf slightly and pull it out from its current support clips.
3. Re-insert the shelf into the desired slots on the side panels. Ensure all four corners are securely seated.
4. Each shelf can support up to 40 kg. Distribute weight evenly.

Using the Lockable Doors

The cabinet is equipped with a cylinder lock for secure storage.

- To lock the cabinet, ensure both doors are fully closed. Insert one of the provided keys into the lock and turn it clockwise until the mechanism engages.

- To unlock, insert the key and turn it counter-clockwise.
- Always keep a spare key in a safe, accessible location.
- The doors open to a wide 130° angle for easy access to contents. The integrated rubber buffers ensure quiet closing.

MAINTENANCE

Regular maintenance will prolong the life and appearance of your TecTake Metal Storage Unit.

- **Cleaning:** Wipe surfaces with a soft, damp cloth and a mild detergent. Avoid abrasive cleaners or solvents that could damage the enamelled steel finish. Dry thoroughly after cleaning.
- **Lock Care:** If the lock mechanism becomes stiff, apply a small amount of graphite lubricant to the keyhole. Do not use oil-based lubricants.
- **Door Hinges:** Periodically check door hinges and fasteners for tightness. Tighten if necessary to ensure smooth operation and proper door alignment.
- **Weight Distribution:** Always distribute weight evenly across shelves to prevent warping or instability. Do not exceed the maximum load capacity of 40 kg per shelf.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Doors do not close smoothly or align	Hinges are loose or misaligned; cabinet not level.	Check and tighten hinge screws. Ensure the cabinet is on a level surface. Adjust feet if applicable.
Lock is stiff or difficult to turn	Lack of lubrication; debris in keyhole.	Apply a small amount of graphite lubricant to the keyhole. Do not force the key.
Shelves sag or are unstable	Overloaded; not properly seated.	Reduce weight on the shelf, ensuring it does not exceed 40 kg. Re-seat the shelf securely into its support clips.
Cabinet wobbles	Uneven floor; loose assembly.	Ensure the cabinet is on a flat, level surface. Check all assembly fasteners and tighten if loose.

SPECIFICATIONS

- **Brand:** TecTake
- **Model:** Metal Storage Unit
- **Colour:** Grey
- **Product Dimensions:** 40 x 90 x 180 cm (Depth x Width x Height)
- **Item Weight:** 39.3 kg
- **Maximum Weight Capacity (per shelf):** 40 kg
- **Special Features:** Adjustable shelves, Durable, Lockable
- **Mounting Type:** Floor Mount
- **Recommended Uses:** Files, Folders, Office Supplies, Garage Storage
