4. Maintenance

4.1 Cleaning

To clean the remote control, use a soft, dry cloth. Do not use liquid cleaners, abrasive pads, or chemical solvents, as these may damage the remote's surface or internal components.

4.2 Battery Replacement

Replace batteries when the remote's response becomes sluggish or stops functioning. Always replace both batteries simultaneously with new AAA batteries. Do not mix old and new batteries, or different types of batteries.

4.3 Storage

If the remote control will not be used for an extended period, remove the batteries to prevent leakage and potential damage to the device.

5. Troubleshooting

- **Remote not responding:**
  - Ensure the batteries are correctly inserted with the correct polarity.
  - Replace old batteries with new ones.
  - Ensure there are no obstructions between the remote control and the television's infrared sensor.
  - Point the remote directly at the television.
- **Some functions not working:**
  - Verify that your television model is indeed Telefunken TLCD32FHDU. This remote is specifically designed for this model.
  - Some advanced smart TV functions may require the original remote or specific TV settings.
