MAINTENANCE

To maintain your Brydge 11 MAX+ Wireless Keyboard Case, follow these guidelines:

- Wipe the exterior surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Keep the keyboard free from dust and debris. Use compressed air to clean between keys if necessary.
- Avoid exposing the device to extreme temperatures or direct sunlight for prolonged periods.

TROUBLESHOOTING

If you encounter issues with your Brydge 11 MAX+ keyboard case, consider the following:

- **Keyboard not connecting:** Ensure Bluetooth is enabled on your iPad and the keyboard is powered on. Try unpairing and re-pairing the keyboard.
- **Trackpad not responding:** Check that the keyboard is fully charged. Restart your iPad and the keyboard. Ensure no settings are disabling trackpad functionality in iPadOS.
- **Keys not working:** Verify the keyboard is charged and connected. If specific keys are unresponsive, try cleaning around them.
- **Battery draining quickly:** Reduce backlight brightness or turn it off when not needed. Ensure the keyboard is fully charged before use.
