## 3. SETUP

Before playing any of the Rubik's Roll games, ensure all components are present and familiarize yourself with the dice and grids. The game is designed for quick setup, allowing you to start playing almost immediately.

### Component Familiarization

- **Rubik's Dice:** Each die features six colored faces (red, blue, green, yellow, orange, white), similar to a classic

Rubik's Cube.

- **Game Grids:** The two grids are used for specific games to arrange dice in patterns or for strategic placement.
- **Dice Shaker:** Use the shaker to randomize the dice rolls. The lid and base also serve as a compact storage solution for all game pieces.

#### **4. OPERATING INSTRUCTIONS: THE 5 GAMES**

Rubik's Roll includes five distinct dice games, each offering a unique challenge. Read the instructions for each game carefully before playing.

##### **Game 1: The Shake**

**Objective:** Be the first to match a rolled 9-dice pattern.

1. One player shakes 9 dice in the shaker and rolls them onto a flat surface, creating a target pattern.

2. All other players simultaneously race to arrange their own dice to exactly match the pattern of the rolled 9 dice.
3. The first player to correctly match the pattern wins the round.

### Game 2: Twenty-One

**Objective:** Roll dice to get a total of 21 for a chosen color without going over.

1. Each player chooses one of the six colors on the dice.
2. Players take turns rolling any number of their dice.
3. After each roll, players count the number of faces showing their chosen color. The goal is to reach exactly 21.
4. If a player's total exceeds 21, they
