

Itel Vision 1 Pro L6502

Itel Vision 1 Pro L6502 Smartphone User Manual

Model: Vision 1 Pro L6502

1. INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your Itel Vision 1 Pro L6502 smartphone. Please read this guide thoroughly before operating your device to ensure optimal performance and longevity. Keep this manual for future reference.

Image 1.1: Front and back view of the Itel Vision 1 Pro L6502 smartphone. The front displays the screen with a teardrop notch, and the back shows the triple camera setup and fingerprint sensor.

2. INITIAL SETUP

2.1. Inserting SIM and SD Cards

Your Itel Vision 1 Pro L6502 supports dual SIM cards and a microSD card for expandable storage. Locate the SIM tray on the side of the device. Use the provided SIM ejector tool to open the tray. Carefully place your Nano-SIM cards and microSD card into their respective slots, ensuring correct orientation. Gently push the tray back into the device until it clicks into place.

Image 2.1: Rear view of the Itel Vision 1 Pro L6502, highlighting the triple camera module and the general area for the SIM card tray on the side.

2.2. Charging the Battery

Before first use, fully charge the device battery. Connect the USB cable to the phone's charging port and the other end to a power adapter. Plug the adapter into a wall outlet. The battery indicator on the screen will show charging progress. The device features a Lithium Ion battery.

2.3. Powering On/Off

- **To Power On:** Press and hold the Power button (located on the side) until the Itel logo appears on the screen.
- **To Power Off:** Press and hold the Power button until the power options menu appears. Select 'Power off' and confirm.
- **To Restart:** Press and hold the Power button until the power options menu appears. Select 'Restart' and confirm.

2.4. Initial Setup Wizard

Upon first power-on, the device will guide you through an initial setup process. This includes selecting your language, connecting to Wi-Fi, setting up your Google account, and configuring security features like fingerprint and face unlock.

3. OPERATING YOUR SMARTPHONE

3.1. Basic Navigation

The Itel Vision 1 Pro L6502 operates on Android 9.0. Use touch gestures to navigate:

- **Tap:** Select an item or open an application.
- **Swipe:** Scroll through lists or switch between home screens.
- **Pinch:** Zoom in or out on images and web pages.
- **Long Press:** Access contextual menus or move icons.

3.2. Making and Receiving Calls

Open the 'Phone' application. Enter the phone number using the dial pad or select a contact from your address book. Tap the call icon to initiate a call. To answer an incoming call, swipe up on the green answer icon. To reject, swipe down on the red decline icon.

3.3. Sending and Receiving Messages

Open the 'Messages' application. Tap the 'Start chat' or '+' icon to compose a new message. Enter the recipient's number or select from contacts, then type your message. Tap the send icon to transmit. Received messages will appear in the conversation thread.

3.4. Camera Usage

The device features an 8.0MP AF Triple Rear Camera and a 5.0MP Front Camera. Open the 'Camera' application. You can switch between front and rear cameras using the icon on the screen. Tap the shutter button to take a photo. Various modes like Portrait, Panorama, and Video are available.

3.5. Internet Connectivity (4G & Wi-Fi)

Your device supports 4G cellular technology for mobile data. To enable/disable mobile data, swipe down from the top of the screen to access Quick Settings. Tap the 'Mobile data' icon. For Wi-Fi, go to Settings > Network & internet > Wi-Fi. Turn Wi-Fi on and select an available network, then enter the password if

required.

3.6. Security Features

The Itel Vision 1 Pro L6502 includes a Fingerprint Sensor and Face Unlock for enhanced security. These can be configured in Settings > Security & location.

4. MAINTENANCE AND CARE

4.1. Cleaning Your Device

Use a soft, lint-free cloth to clean the screen and body of your phone. Avoid using harsh chemicals, abrasive cleaners, or aerosol sprays, as these can damage the device's finish and internal components.

4.2. Battery Care

- Avoid exposing the device to extreme temperatures.
- Do not leave the device charging for extended periods after it is fully charged.
- Use only original or certified compatible chargers and cables.

4.3. Software Updates

Regularly check for software updates to ensure your device has the latest features and security patches. Go to Settings > System > Advanced > System update to check for and install available updates.

4.4. Data Backup

It is recommended to regularly back up your important data (photos, contacts, documents) to a cloud service (e.g., Google Drive) or a computer to prevent data loss.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your Itel Vision 1 Pro L6502.

- **Device not turning on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If the issue persists, perform a forced restart by holding the Power button for 10-15 seconds.
- **Poor network signal:** Check if your SIM card is properly inserted. Move to an area with better network coverage. If using Wi-Fi, ensure you are within range of the router and the password is correct.
- **Applications crashing or freezing:** Close and reopen the application. If the problem continues, clear the app's cache (Settings > Apps & notifications > See all apps > [App Name] > Storage & cache > Clear cache). Restart the phone.
- **Slow performance:** Close unused applications. Clear cache and temporary files. Consider uninstalling rarely used apps. If performance remains slow, a factory reset might be necessary (see below).
- **Factory Reset:** If your device experiences persistent software issues, a factory reset can resolve them. **Warning: This will erase all data on your phone.** Back up your data before proceeding. Go to Settings > System > Advanced > Reset options > Erase all data (factory reset).

6. SPECIFICATIONS

Feature	Specification
Model Name	VISION 1 PRO (L6502)
Brand	Itel
