Model: racing game steer wheel stand-29

Brand: Marada

## 1. INTRODUCTION

The Marada X Frame Steering Wheel Stand is designed to enhance your racing simulation experience. This stand features high applicability, fitting most major brands like Logitech, Thrustmaster, and Fanatec. It comes over 80% pre-installed for quick setup. The reinforced X-shaped frame with double triangular mechanics ensures stability, while its quick-fold design allows for easy storage. Enjoy full adjustability for steering wheel height and pedal angle, with the added convenience of a water cup holder and interchangeable gearshift panel. A fixed seat slot prevents your gaming seat from sliding during intense gameplay.

## 2. SETUP

The Marada X Frame Steering Wheel Stand arrives over 80% pre-installed, allowing for rapid assembly. For detailed step-by-step instructions and diagrams, please refer to the official Installation Manual.

## 3. COMPATIBILITY

This racing sim cockpit is designed for wide compatibility with various racing peripherals:

- **Logitech:** Driving Force GT, G920, G25, G27, G29, G923, TP3A Pro Pedals, Logitech Shifters
- **Thrustmaster:** T300, T500 RS, T60, T80, T150, All Ferrari 458 Bases, TS-PC Racer, TX-XW Racer, TMX Force Feedback, T-GT, TH8 Shifter, TH8A Shifter

- **Fanatec:** Clubsport V1, Clubsport V2, Clubsport V2.5, CSL, CSL ELITE, DD1, DD2, CSL Pedals, Clubsport V1 Pedals, Clubsport V2 Pedals, Clubsport V3 Pedals, CSL Pedals, Clubsport Shifter
- **Other brands:** The stand supports DIY modifications, including welding and drilling, for broader compatibility.

## 4. OPERATING THE STAND

The Marada X Frame Steering Wheel Stand offers extensive adjustability and thoughtful features for an optimized racing experience:

- **Height and Angle Adjustment:** The height of the stand and the angle of the pedal platform are fully adjustable to suit individual preferences and ensure ergonomic comfort.
- **Shifter Platform:** The gearshift panel can be interchanged from left to right, accommodating both left-handed and right-handed users.
- **Water Cup Holder:** A convenient water cup holder is integrated into the design, located near the steering wheel platform.
- **Fixed Seat Slot:** A dedicated slot is provided to secure your gaming or office chair, preventing movement during intense braking or steering maneuvers.
- **Folding Design:** The stand can be quickly folded in seconds for compact storage when not in use, making it ideal for spaces where permanent setups are not feasible.

## 5. MAINTENANCE

To ensure the longevity and optimal performance of your Marada X Frame Steering Wheel Stand, regular maintenance is recommended:

- **Cleaning:** Wipe down the frame and surfaces with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the finish.
- **Fasteners:** Periodically check all bolts, screws, and adjustment knobs to ensure they are securely tightened. Retighten as necessary to maintain stability and prevent wobbling.
- **Moving Parts:** Ensure that all adjustable mechanisms move smoothly. If any stiffness is observed, a small amount of silicone-based lubricant can be applied to pivot points.
- **Storage:** When not in use, fold the stand and store it in a dry, clean environment to protect it from dust and moisture.

## 6. TROUBLESHOOTING

If you encounter any issues with your Marada X Frame Steering Wheel Stand, please refer to the following common troubleshooting tips:

- **Stand Wobbles:** Ensure all connection points and adjustment knobs are fully tightened. Verify that the stand is placed on a flat, stable surface.
- **Difficulty Folding/Unfolding:** Check for any obstructions or misaligned parts. Ensure all locking mechanisms

are disengaged before attempting to fold or unfold.

- **Peripherals Not Mounting Securely:** Confirm that you are using the correct mounting hardware for your specific steering wheel, pedals, and shifter. Refer to the installation manual for proper mounting procedures.
- **Chair Sliding:** Ensure your chair's wheels are properly seated within the fixed seat slot. The slot is designed to prevent forward and backward movement.
- **Missing Parts:** If any parts were missing upon arrival, please contact Marada customer support with your purchase details.
